is hereby approved, subject to the following conditions:

1. That Ordinance No. 220883, including all conditions provided therein, shall remain in full force and effect.
2. The applicant shall gain approval of a major street plan amendment or revise the alignment accordingly.
3. The developer shall submit a streetscape plan with the street tree planting plan per 88-425-03 for approval and permitting by the Parks and Recreation Department's Forestry Division prior to beginning work in the public right-of-way.
4. In the major street plan, Mexico City Avenue is supposed to go straight north and connect with Highway 92. The MPD proposes to redirect Mexico City Avenue to the west and connect to Bethel Road. This would not provide a direct connect between the major highways (Highway 92 and I-29) and the airport. The new alignment of Mexico City Avenue will require an amendment of the major street plan, through CPC and Council. The new alignment is therefore not approved by approval of this MPD and the applicant must follow the amendment process.
5. The developer shall ensure that water and fire service lines should meet current Water Services Department rules and regulations prior to a certificate of occupancy.
6. The developer shall submit water main extension plans meeting the Kansas City Water rules and regulations and prepared by a Missouri professional engineer. The water main extension plans shall be under contract (permit) prior to final platting or building permit issuance, whichever occurs first. The water main extension plans shall provide sufficient flow and pressure to service the proposed developments.
7. This plan was approved by Ordinance No. 220883 and is not required to comply with Section 88-353 of the Zoning and Development Code.

A copy of said development plan is on file in the office of the City Clerk with this ordinance and is made a part hereof.

260213 sub

Section B. That the Council finds and declares that before taking any action on the proposed amendment and development plan hereinabove, all public notices and hearings required by the Zoning and Development Code have been given and had.

I hereby certify that as required by Chapter 88, Code of Ordinances, the foregoing ordinance was duly advertised and public hearings were held.
