Executive Summary

To amend Ordinance No. 250170 which set the levy rates on tangible real and personal property located in the city to generate revenue for the General Fund, Health Fund, Museum Special Revenue Fund and General Debt and Interest Fund in connection with the FY2025-26 Adopted Budget.

Discussion

Ordinance No. 250170 set the levy rates on tangible real and personal property located in the City with the FY2025-26 adopted budget. The estimated levy rates used for budget formulation were based on prior year assessed values from the four counties in which the City is located.

During the summer each county provides revised certified assessed valuations. These revised values are used to complete the state levy certification process. The purpose of the levy certification process is to ensure that no jurisdiction receives a windfall or experiences a shortfall due to changes in assessed valuation in accordance with the Hancock Amendment to the Missouri Constitution. The levy certification forms must be delivered to the County Clerks no later than October 1 each year. The calculated levies for FY25-26 are described below.

Taxes for Fiscal year 2025-26, commencing on first day of May 2025, in the total amount of \$1.5073 per \$100, shall be levied upon all property with the City subject to taxation on January 1, 2025, under the Constitution and laws of the State of Missouri for both real and tangible property.

A general tax of \$.5312 cents on each \$100 for the assessed valuation of all such taxable property is levied and imposed for municipal operating purposes to be credited to the General Fund.

A general tax of \$.5314cents on each \$100 of the assessed valuation of all such taxable property is levied and imposed for municipal operating expenses for hospitals and public heath to be credited to the Heath Levy fund.

A tax of \$.4300 cents on each \$100 of the assessed valuation of all such taxable property is imposed for purposes of paying debt service on outstanding general obligation bonds of the City.

A general tax of \$.0147cents on each \$100 of the assessed valuation of all such taxable property for municipal museum purposes, to be credited to the Museum Special Revenue Fund.

Service Level Impacts

Property tax collections significantly impact the City's ability to provide services. The general levy revenue is used to support basic services provided by the City such as public safety, road repair and emergency response. Revenues generated from the debt levy are used to meet the City's general debt obligations. Revenues generated from the health levy are dedicated to the health fund which supports care for the indigent. Revenues generated from the museum levy are used to support the Kansas City Museum.

Other Impacts

1. What will be the potential health impacts to any affected groups?

Property taxes collected from the health levy are dedicated to the health fund and used to pay expenditures related to healthcare for the indigent and support Health Department programs.

2. How have those groups been engaged and involved in the development of this ordinance?

The City's budget office holds annual budget meetings with the community to gain insight about citizen priorities. The revenue generated from property taxes will support the City's adopted budget. In addition, the Finance, Governance and Public Safety Committee hearing will serve as the public hearing on the setting of property tax rates and provide an opportunity for comment by interested parties

3. How does this legislation contribute to a sustainable Kansas City?

The revenue generated from this legislation allows the City to meet its debt obligations as well as provide funding for the basic services provided by the City. This legislation also generates funds to provide healthcare services for the indigent.
