260047 & 260048: Nurse-Family Partnership (NFP) Program

Purpose: Accepting and approving grants from Nurture KC and the Health Forward Foundation to provide continued support for the NFP program.

Background:

The Nurse-Family Partnership program provides nurse home visiting services to first-time low-income mothers, prenatally through their child's second birthday.

Funding & Resources:

- Funds: Nurture KC - $28,235 & Health Forward Foundation - $300,000
- FTEs: 5 Public Health Nurses, 1 Public Health Nurse Supervisor, and 1 Senior Administrative Assistant (plus programmatic supplies)

Program Goals:

- Improve pregnancy outcomes
- Improve child health and development
- Improve family economic self-sufficiency

Program Impacts:

- 110 families in FY25
- 1,173 home visits completed in FY25
