

Interdepartmental Communication

DATE: August 12, 2022

TO: Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

FROM: Michael Shaw, Director of Public Works

SUBJECT: Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 65245 through 65259	October 26, 2021
Nos. 65260 through 65283	November 22, 2021
Nos. 65284 through 65291	December 10, 2021
Nos. 65292 through 65300	March 7, 2022
Nos. 65301 through 65322	April 12, 2022
Nos. 65323 through 65349	May 16, 2022
Nos. 65350 through 65419	May 25, 2022

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
