RE: Central City Economic Development Sales Tax – Correction to Funding Recommendations

Dear Ms. Sanders:

By letter dated November 14, 2018 (conveyed to the City Council as Communication No. 180888), the Central City Economic Development Sales Tax Board (the "Board") identified seven (7) proposed economic development projects that it recommended to the City Council.

That letter incorrectly stated that the projects were being recommended by the Board in the order in which they were listed. Please be advised that the Board makes no recommendations with regards to funding priorities.

On behalf of the Board, we request that this correction be conveyed to the City Council at the earliest available opportunity.

Sincerely,

Brian T. Rabineau
Assistant City Attorney
