Executive Summary

Rezoning an area of about one acre generally located at northwest corner of Prospect Avenue and Dr. Martin Luther King Jr. Boulevard from District R-2.5 (Residential) to District B1-1 (Neighborhood Business) and approving a development plan on about three acres to allow for an expansion of an existing day care campus. (CD-CPC-2025-00004 & CD-CPC-2025-00008)

Discussion

The applicant is proposing to rezone a portion of the 3 acre site from R-2.5 (Residential) to B1-1 (Community Business) and proposing a mixed-use development plan, also serving as a preliminary plat. The site is located on the northwest corner of Dr. Martin Luther King Jr. Boulevard and Prospect Avenue. The subject site is currently split between R-2.5 and B1-1; rezoning to B1-1 will create consistent zoning throughout the lots.

The plan proposes to develop the four existing parcels into a 3-phase development. The first phase of this project is an expansion of the existing Emmanuel Family and Child Development Center, located at 4736 Prospect. This expansion includes a new 12,200 square foot building along with a community outdoor space, connecting the existing building and the proposed building, which will span across the 3 eastern lots. On the lot to the west, there is a proposed parking lot with 32 parking spaces. Future developments for phases two and three will undergo Project Plan approval, which requires approval from the City Plan Commission, ensuring compliance with the Zoning and Development Code. Phase two proposes an event center and phase three proposes a multi-family housing development.

Staff recommended approval of the rezoning and approval with conditions of the Development Plan. There was no public testimony at the City Plan Commission meeting. The City Plan Commission unanimously recommended approval of the rezoning and approval with conditions of the development plan.
