The Commission agrees that the Additional City EATs shall only be used to pay those costs that are identified on **Exhibit A**, under the column “Additional City EATs.” Notwithstanding anything to the contrary in this Agreement, City’s obligation shall be limited to the Additional City EATs actually generated and collected within the Redevelopment Project Area, such that if the Additional City EATs actually generated and collected within the Redevelopment Project Area are less than projected, the City shall not be obligated to fund the difference from any other source. Notwithstanding the foregoing, (A) any portion of Additional City EATs attributable to the capital improvements portion of the City's sales tax shall be deposited to a separate segregated subaccount within the Additional City EATs Account (as defined in the Redevelopment Agreement) and shall only be used to reimburse Infrastructure Improvements, and (B) any portion of the Additional City EATs attributable to City's convention and tourism tax and food and beverage tax shall be deposited to a separate segregated subaccount within the Additional City EATs Account and shall only be used to reimburse the costs of the Hotel Improvements and the 1,600 seat theater. In addition to and notwithstanding the foregoing, subject to approval of the City Council by ordinance, any portion of the Additional City EATs (1) attributable to the capital improvements portion of the City's sales may also be used to reimburse the costs of the parking facility to the extent a public entity such as a community improvement district or the Port Authority of Kansas City, Missouri has a fee title, or other real property interest in such parking facility such that the City determines in writing that the parking facility is a capital improvement, and (2) attributable to the City's convention and tourism tax and food and beverage tax may also be used to reimburse the costs of the parking facility to the extent such facility may provide parking for the Hotel Improvements and parking for the 1,600 seat theater, such that the City determines in writing that the parking facility is used exclusively for the promotion of convention and tourism.

5. Budget for Additional City EATs. The City intends, on or before the last day of each City fiscal year, to budget, specifically with respect to this Agreement, money sufficient to pay to the Commission the Additional City EATs under this Agreement with respect to the next succeeding fiscal year. Notwithstanding the foregoing, the decision to budget funds shall be made in accordance with the City's normal procedures for such decisions, including those required by or provided in the City's Charter and Code; as either may be amended from time to time. The City shall deliver written notice to the Commission no later than 15 days after the commencement of its fiscal year stating whether the Council has approved a budget that identifies funds sufficient for the purpose of paying the Additional City EATs estimated to become due during such fiscal year.

Failure to deliver notice shall not constitute a breach, provided that the Additional City EATs shall have been budgeted. The City's obligation to budget the Additional City EATs shall remain in full force and effect until the earlier of thirty (30) years after the date of passage of an ordinance approving and designating the Redevelopment Project Area, or at such time as the City shall have budgeted and redirected \$54,217,989 to the Commission.

6. Annual Budget Request. The chief executive of the City or other officer of the City at any time charged with the responsibility of formulating budget proposals shall include in the budget proposals submitted to the Council, in each fiscal year in which this Agreement shall be in effect, a budgeted amount of the Additional City EATs to be paid under this Agreement for the ensuing fiscal year; it being the intention of the City that the decision to budget or not to budget under this Agreement shall be made solely by the City Council and not by any other official of the City. The City agrees, subject to the provisions above respecting the failure of the City to budget, to contribute the Additional City EATs in accordance with this Agreement. The City agrees to make provision for such amounts to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of the City.

7. Restriction on Use of Proceeds. Notwithstanding any provision of this Agreement to the contrary, the parties acknowledge and agree that the Additional City EATs may include sums collected from sales taxes that are restricted in their use to such purposes as are included within the terms of those statutes and ordinances authorizing the imposition and collection of such sales taxes. In the event that a court of competent jurisdiction shall have finally determined that any portion of the Additional City EATs may not lawfully be expended for the purposes of reimbursing or paying certain Certified Costs related to the implementation of the Project Improvements, then in the event Obligations have been issued to Fund Certified Costs, the proceeds of Obligations attributable to Additional City EATs shall not be used to fund such Certified Costs.

8. Additional City EATs to Constitute Current Expense. The parties acknowledge and agree that the Additional City EATs shall constitute currently budgeted expenditures of the City, and shall not in any way be construed or interpreted as creating a liability or a general obligation or debt of the City in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the City, nor shall anything contained herein constitute a pledge of general credit, tax revenues, funds or money of the City. The City's payment obligations under this Agreement shall be from year to year only, and shall not constitute a mandatory payment obligation of the City in any ensuing fiscal year beyond the then current fiscal year.

9. Obligations of Redeveloper. As required by the Commission's Economic Activity Tax Documentation and Collection Policy and Procedures, attached hereto as **Exhibit B** and as such policy may be adjusted pursuant to the Redevelopment Agreement (the "**EATs Policy**"), the Commission shall contractually obligate the Redeveloper to exert good faith efforts to furnish to the Commission the documentation identified by the EATs Policy that relates to the Redevelopment Project Area ("**EATs Documentation**") as provided for in the Redevelopment Agreement including a list of all tenants and businesses within the Redevelopment Project area along with their respective business name, address, and federal and state identification numbers, MITS number and location code, if applicable, to the extent available to the Redeveloper the amount of sales

taxes, food and beverage taxes, utilities taxes, earnings taxes, net profits taxes, as applicable, or other information reasonably necessary to calculate such taxes (i.e. tax account numbers), and which are attributable to the Redevelopment Project Area. The City shall exert reasonable efforts to enforce the payment of and collect of all Additional City EATs which are due and payable.

10. Certification of Costs. No cost or expense incurred by Redeveloper shall be a Certified Cost eligible for reimbursement under this Agreement, and no such cost or expense shall be payable to Redeveloper from any of the Additional City EATs, until such cost or expense has been certified pursuant to the Commission's Certification of Costs and Reimbursement Policy attached to the Redevelopment Agreement and as may be amended from time to time.

11. Deposit by the Commission. As soon as reasonably practicable after the receipt of Additional City EATs, the Commission shall deposit or cause to be deposited the Additional City EATs into the Additional City EATS Account, which account (i) shall be segregated on the books and records of the Commission from all other money, revenue, funds and accounts of the Commission, (ii) the money therein, including all interest accruing thereto, shall be utilized to pay the Certified Costs the Commission is obligated to pay, pursuant to the terms and conditions of the Redevelopment Agreement and this Agreement.

12. Covenants of the City. Following the receipt of the EATS Documentation and on a semi-annual basis, the City, subject to budgeting, and, to the extent necessary, appropriation, shall deposit in the Additional City EATS Account an amount equal to the Additional City EATs which have been, budgeted, appropriated, and collected by the City during the previous six-month period.

13. Covenants of the Commission. The Commission hereby covenants and agrees to pledge all right, title and interest in and to the Additional City EATs to the payment of the Certified Costs the Commission is obligated to disburse, pursuant to the terms and conditions of the Redevelopment Agreement and this Agreement or, if Obligations are issued, to the payment of Debt Service (as defined in the Redevelopment Agreement) pursuant to the terms of the Redevelopment Agreement and any indenture related to such Obligations.

14. Term. This Agreement shall become effective on the Effective Date, and shall remain in full force and effect until the completion of all Project Improvements and Public Improvements contemplated by the TIF Plan and the Redevelopment Agreement, and so long thereafter as the later of (a) obligations remain outstanding under this Agreement and the Redevelopment Agreement or (b) there are any remaining Certified Costs that are to be reimbursed using the Additional City EATs and which have not been reimbursed to the Redeveloper in accordance with this Agreement and the Redevelopment Agreement; provided however, the City shall have no obligation to contribute any sums attributable to the period commencing 30 years after the date the passage of an ordinance approving the Redevelopment Project and designating the Redevelopment Project Area; and provided, further, that the City, except as may be limited by applicable law, agrees that the Additional City EATs generated within the Redevelopment Project Areas prior to the time the City's obligation to collect the same shall have expired shall be available for the payment of Redevelopment Project Costs as provided herein even if such revenues are not collected by the City during the 30-year period and for which the Redeveloper requested reimbursement within one (1) year of the expiration of the aforementioned 30-year period.

15. Modification. The terms, conditions and provisions of this Agreement can be neither modified nor eliminated except by written agreement between the parties.

16. Breach; Compliance. If any party does not comply with the provisions of this Agreement, in that a party shall do, permit to be done, or fail or omit to do, or fail or omit to have done, anything contrary to or required of it by this Agreement, and if within thirty (30) days after notice of such default by any party, the party shall not have cured such default or commenced such cure and be diligently pursuing the same if such cure would reasonably take longer than said thirty (30) day period, then any party may institute such proceedings as may be necessary in its opinion to cure the default including, but not limited to, proceedings to compel specific performance. If any action is instituted by any party hereunder, the non-prevailing party shall pay all costs, fees and expenses, including reasonable attorneys' fees incurred by the prevailing party in enforcing this Agreement; provided, however, that any financial obligation on the City is subject to appropriation of funds by City Council, and any and all costs incurred by the Commission shall be funded with TIF Revenues and Additional City EATs on deposit in the Special Allocation Fund.

17. Cumulative Rights; Waiver. The rights and remedies of the parties to this Agreement, whether provided by law or by this Agreement, shall be cumulative and the exercise by any party of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other remedies for the same default or breach. No waiver made by a party shall apply to obligations beyond those expressly waived.

18. Notice. All notices required by this Agreement shall be in writing and shall be served either personally or by certified mail, or by any other delivery service which obtains a receipt for delivery unless any such notice is required by law and such law provides a different form of delivery or service. Any such notice or demand served personally shall be delivered to the party being served (provided that such notice may be delivered to the receptionist or any other person apparently in charge of such party's office at its address hereinafter set forth), and shall be deemed complete upon the day of actual or attempted delivery, as shown by an affidavit of the person so delivering such notice. Any notice so served by certified mail shall be deposited in the United States Mail with postage thereon fully prepaid and addressed to the party or parties so to be served at its address hereinafter stated, and service of any such notice by certified mail shall be deemed complete on the date of actual or attempted delivery as shown by the certified mail receipt. 19. Validity and Severability.

(a) It is the intention of the parties hereto that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies of the State of Missouri, and that the unenforceability (or modification to conform with such laws or public policies) of any provision hereof shall not render unenforceable, or impair, the remainder of this Agreement. Accordingly, if any provision of this Agreement shall be deemed invalid or unenforceable in whole or in part, this Agreement shall be deemed amended to delete or modify, in whole or in part, if necessary, the invalid or unenforceable

provision or provisions, or portions thereof, and to alter the balance of this Agreement in order to render the same valid and enforceable.

(b) If this Agreement contains any unlawful provisions not an essential part of this Agreement and which shall not appear to have a controlling or material inducement to the making thereof, such provisions shall be deemed of no effect and shall be deemed stricken from this Agreement without affecting the binding force of the remainder. In the event any provision of this Agreement is capable of more than one interpretation, one which would render the provision invalid and one which would render the provision valid, the provision shall be interpreted so as to render it valid.

20. Time is of the Essence. Time and exact performance are of the essence of this Agreement.

21. Choice of Law. The interpretation, construction and performance of this Agreement shall be governed by the laws of the State of Missouri. Venue for any cause of action arising out of or in connection with this Agreement shall be in Jackson County, Missouri.

22. Multiple Counterparts. This Agreement may be executed in multiple counterpart copies, each of which will be considered an original and all of which shall constitute but one and the same instrument, binding on all parties hereto, even though all the parties are not signatory to the same counterpart. Any counterpart of this Agreement which has attached to it separate signature pages which together contain the signatures of all parties hereto shall be deemed for all purposes a fully executed original.

23. Assignment. This Agreement shall be binding upon, and inure to the benefit of, the parties and their respective successors and assigns; provided, however, that the Redeveloper shall not have the right to assign this Agreement without the consent of the City and the Commission, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, the Redeveloper shall have the right to assign this Agreement with notice to the City (a) as collateral to lenders providing financing or refinancing for the Project Improvements and Infrastructure Improvements, or any portion thereof, subject to a collateral assignment agreement signed by the City executed by the City Manager or Director of Finance in a commercially reasonable form, from time to time, and/or (b) to an entity to which Redeveloper is contemporaneously lawfully assigning the Redevelopment Agreement.

24. Estoppel. Each party agrees to provide from time to time to another party upon request a certification in writing, for the benefit of the requesting party, and its actual or prospective lenders, transferees and other interested third parties (i) that this Agreement is in full force and effect, (ii) that there are no defaults or unperformed obligations hereunder on the part of a party (or if such defaults or unperformed obligations are believed to exist, specifying the nature and extent thereof), (iii) a history of Additional City EATs deposited to the Special Allocation Fund and disbursed pursuant to this Agreement or the Redevelopment Agreement prior to such certification, and (iv) such other matters as may be reasonably requested to be certified, all in form and content as reasonably requested by the requesting party.

25. Continued Cooperation of Parties. Each party agrees that, upon the request of the

other from time to time, it will provide such other information, documents or instruments and/or undertake such further actions as may be reasonably requested in order to give full force and effect to the intent of the provisions, terms and covenants of this Agreement or in order to allow, subject to applicable law, for confirmation that the Additional City EATs has been properly computed.

26. MBE/WBE.

(a) Redeveloper will comply fully with the City's Minority and Women's Business Enterprise Program (as codified in Chapter 3, Article IV, Divisions 2 and 3 of the Code). No reimbursement shall be provided under this Agreement until Redeveloper's Contractor Utilization Plan and Letters of Intent are submitted to and approved by the City's Civil Rights and Equal Opportunity Department ("CREO"). The City will comply with the aforementioned program and shall cooperate with the Redeveloper for the timely review of all information provided by the Redeveloper and its contractors to CREO.

(b) Redeveloper will allow CREO (or its designee) to monitor the MBE/WBE achievement levels through reporting and onsite monitoring. Redeveloper shall provide access to all relevant books and records at reasonable times upon 10 Business Days (as defined in the Redevelopment Agreement) written notice to the Redeveloper.

(c) If the Redeveloper fails to make good faith efforts to achieve the goals for MBE/WBE, the City could sustain damages, the exact extent of which would be difficult or impossible to ascertain. Therefore, in order to liquidate those damages, the monetary difference between either (1) the amount of the MBE/WBE goals set forth in the Contractor Utilization Plan ("CUP"), as amended, or (2) the goals established (whichever is lower) and the amount actually paid to qualified MBEs and WBEs for performing a commercially useful function may at the City's option be deducted from the Redeveloper's payments as liquidated damages. In determining the amount actually paid to qualified MBEs and WBEs, no credit will be given for the portion of participation that was not approved by the Director pursuant to the CUP, unless the Director determines that the Redeveloper acted in good faith. No deduction for liquidated damages will be made when, for reasons beyond the control of the Redeveloper, the MBE/WBE participation stated in the Contractor Utilization Plan, as amended and approved by the Director is not met. Such determination shall be subject to the provisions of the appeal procedure outlined in Chapter 3, Article IV, Division 2 of the Code or as otherwise waived by the City Council.

27. Quality Services Assurance. The Redeveloper shall itself and shall require that all contractors working on the Redevelopment Project pay all employees who will work on this Contract in the city limits of Kansas City, Missouri at least \$15.00 per hour as provided in Code § 3-66.

28. Construction Workforce. Redeveloper agrees to comply with all requirements of City's Construction Employment Program as enacted in Code §§ 3-501 through 3-525 and as hereinafter amended. Redeveloper shall make a good faith effort to meet or exceed the construction employment goals. Redeveloper and its subcontractors will submit monthly workforce hour reports through the City's designated electronic reporting system. Redeveloper's compliance with this provision is a material part of this Agreement.

29. Affirmative Action.

(a) Redeveloper shall itself and shall require all contractors utilized in connection with this Agreement maintain in effect, throughout the duration of this Agreement, an Affirmative Action Program in accordance with the provisions of Chapter 3, Article IV, Division 1 of the Code and the rules and regulations relating thereto, as amended.

(b) If Redeveloper or their contractors fail, refuse or neglect to comply with the provisions of Chapter 3, Article IV, Division 1 of the Code and the rules and regulations relating thereto, then such action shall be deemed a total breach of this Agreement may be terminated, canceled or suspended, in whole or in part, and the contractor or developer may be declared ineligible for any further contracts funded by City for a period of one (1) year.

30. Prevailing Wage. Redeveloper acknowledges that the Residential Building Improvements and the Infrastructure Improvements are subject to payment of prevailing wage pursuant to Code § 3-622. The Redeveloper shall (a) pay and cause all its contractors and subcontractors to pay prevailing wage rates set forth in the then existing applicable Annual Wage Order as established pursuant to RSMo § 290-210 through § 290-340, inclusive, for any scopes of work related to the Redevelopment Project, except for the Hotel Improvements, (b) comply with all rules and regulations set by the City Civil Rights and Equal Opportunity Department with respect to the payment of prevailing wage and associated reporting, and (c) indemnify, protect, defend and hold the City and the Commission harmless from and against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed, of whatsoever kind or character occurring or allegedly occurring as a result of the Redeveloper's failure to comply with this Section. Pursuant to Section 74-58 of the Code of Ordinances, the City hereby waives the requirements to comply with the City's requirement to pay prevailing wages as set forth in § 3-622 of the City's Code of Ordinances for the labor associated with the Hotel Improvements and the City hereby authorizes and directs the Commission include such waiver in any Redevelopment Agreement for the implementation of the Redevelopment Plan for the labor associated with the Hotel Improvements..

31. Affordable Housing Set Aside. The parties acknowledge that the Redevelopment Project meets the requirements set forth in Section 74-11(e) of the City Code such that the Project is exempt from the affordable housing requirements identified in Section 74-11.

32. Non-discrimination. Redeveloper shall itself not and shall require that any contractor working on the Redevelopment Project not discriminate against any employee or candidate for employment on the basis of an individual's race, hair texture or hair style associated with an individual's race, color, sex, religion, national origin, including limited English proficiency, or ancestry, disability, sexual orientation, gender identity or age in a manner prohibited by Chapter 38 of the Code. Redeveloper shall itself not and shall require that any contractor not engage in any discrimination as prohibited by Chapter 3 of the Code. Furthermore, Redeveloper shall comply with Title VI of the Civil Rights Act of 1964.

33. Ban the Box. Redeveloper shall comply with Code § 38-104 regarding criminal

records in employment.

34. Construction Completion Timeline. Pursuant to Code § 74-12, all incentive granted pursuant to this Agreement, are contingent on the Redeveloper substantially completing the Redevelopment Project on or before December 31, 2031. Resolution Number: 11-31-10

Policy statement: Establish a procedure for Developers to assist the Tax Increment Financing Commission of Kansas City, Missouri in collecting and documenting, on a timely basis, information necessary to determine the amount of Economic Activity Taxes, as defined by the Real Property Tax Increment Allocation Redevelopment Act, Missouri Revised Statutes, Section 99.845.3 (“EATs Revenue”), that is generated within redevelopment project areas implemented by such Developers (“Redevelopment Project Areas”).

I. Determination of the “Base” at the Time a Redevelopment Project Area is Approved by Ordinance

A. Section 99.845 RSMo. specifies that the base amount of economic activity taxes identified for the purpose of determining EATs Revenue is the amount of economic activity taxes identified in the calendar year prior to the adoption of a redevelopment project and the designation of a redevelopment project area by ordinance (the “Base”). Prior to the designation of a Redevelopment Project Area by the City Council, the Developer shall provide the Commission with the list of businesses located within the proposed Redevelopment Project Area and certify, to its actual knowledge, that such list is accurate.

B. In the event the Developer determines that certain businesses, whose base amount of economic activity taxes were not incorporated within the Base, but were located and operating within a Redevelopment Project Area at the time the Base was established, the Developer shall immediately notify the Commission of such businesses.

II. Procedures for Documentation and Collection of Economic Activity Taxes
