I would like to urge the City of KCMO to build and extend trails within the city and work cooperatively with neighboring communities. I have been a resident of KCMO for over 30 years and an active trail user. In 2024 I have ridden my bicycle for over 2, 500 miles so far. Most of these miles were on trails and roads that lead to or from the trails. Most of my miles have been within Platte County. I am particularly interested in the 152 Trail expansion to and through Mark McHenry Park. Thank you.
