Docket Memo

Ordinance/Resolution #: 260186

Submitted Department/Preparer: City Planning

Revised 01/30/25

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Approving the plat of Erika's Place 2nd Plat, a subdivision in Platte County, Missouri, on approximately 11 acres generally located at the northeast corner of Northwest 95th Terrace and North Line Creek Parkway, creating 45 lots and 5 tracts to allow for a residential development; accepting various easements; establishing grades on public ways; authorizing the Director of City Planning and Development to execute and/or accept certain agreements; and directing the City Clerk to facilitate the recordation of this ordinance and attached documents. (CLD-FnPlat-2024-00038)

Discussion

The ordinance approves the plat for Erika's Place 2nd Plat in Platte County, accepts all designated utility and other purpose-specific easements, and establishes official street and public way grades as shown on the plat. It authorizes the Directors of City Planning and Water Services to execute necessary agreements related to title clearance and stormwater maintenance, and directs the City Clerk to record the ordinance and related documents once all developer requirements are met. The Council also acknowledges that the City Plan Commission recommended approval of the plat on February 4, 2026.

The request is to consider approval of a Final Plat in District MPD on about 11 acres at the northeast corner of Northwest 95th Terrace and North Line Creek Parkway creating 45 lots and 5 tracts to allow for a detached residential development. This use was approved in Case No. CD-CPC-2019-00202 which served as the Preliminary Plat. The Preliminary Plat proposed to develop a residential development on the north side of the existing Erika's Place Neighborhood. This phase will connect with a public street to North Line Creek Parkway and have an emergency access drive to North Platte Purchase Drive. This Final Plat is in conformance with the Preliminary Plat as well

as the lot and building standards of Section 88-280 of the Zoning and Development Code.

Final Plats are the legal instruments used to formally subdivide land in accordance with the layout approved in the Preliminary Plat, which is often presented in multiple phases, as this proposed plat is. The review of a Final Plat includes verification that all required public utilities have been properly extended and accepted by the City, and that stormwater detention covenants have been finalized and reviewed for compliance. This Final Plat is consistent with the previously approved Preliminary Plat and complies with all applicable lot and building standards outlined in Section 88-110 of the Zoning and Development Code.
