Executive Summary

Vacating approximately 0.14 acres of street right-of-way in Zoning District R-7.5 (Residential) generally located on East 52nd Terrace approximately 1050 feet west of Dr. Martin Luther King Jr. Boulevard and directing the City Clerk to record certain documents. (CD-ROW-2025-00005)

Discussion

The street proposed for vacation is an unimproved right-of-way that currently dead-ends approximately 1,050 feet west of Dr. Martin Luther King Jr. Boulevard. The applicant is proposing to dedicate a cul-de-sac at the terminus of East 52nd Terrace, allowing vehicles to turn around.

During the Final Plat review, it was determined that right-of-way for East 52nd Terrace had previously been dedicated to the City; however, no record of its vacation was found. Additionally, the City's GIS system (Parcel Viewer) does not show it as active public right-of-way. This vacation application is intended to formally vacate the unimproved street.

Evergy has private utilities located within the public right-of-way and has requested that an easement be retained over the vacated area. No other utility company, private or public, has utilities within the right-of-way.
