Dear Members of the City Council,

Please vote in support of Ordinance 230613 and Resolution 230618.

These bikes lanes provide me access to my job, groceries, and more.

I currently don't have a car and because of these bike lanes and the promise of future lanes I won't need to buy another one.

Not having to pay a car payment, insurance, tax, gas, maintenance, and repairs has allowed me to start saving for my future.

The safety and street calming affects of these lanes have made walking and driving safer as well.

Regards,
