Aviation Department Condition

Prior to submittal of a permit for and/or construction of any signage approved under the Council Approved Signage Plan (CD-CPC-2025-00017), the **applicant shall submit** to the Kansas City Aviation Department a **Determination of No Hazard to Air Navigation** from the Federal Aviation Administration (FAA). Following the issuance of a construction permit for permanent signage, temporary cranes used for construction activities extending higher than the proposed top elevation of the sign will need to be evaluated for compliance with FAR Part 77 standards which will be the responsibility of the applicant. For temporary cranes, the applicant shall provide the Kansas City Aviation Department with a Determination of No Hazard to Air Navigation for Temporary Structure from the FAA.
