Executive Summary

Authorizing the City Manager to enter into a cooperative agreement with the City of Lee's Summit for the acquisition of property interests and maintenance related to the Valley Garden Drive/Quarry Park Road project.

Discussion

Due to the failure of Quarry Park Road within the boundaries of Lee's Summit, residents have been unable to access their properties through the public right-of-way. The City of Lee's Summit seeks to reestablish access via NW Noland Road, NW Valley Garden Drive, and NW Quarry Park Road. A portion of the project lies within Kansas City limits. To advance the project, Kansas City will acquire five parcels of land, which may require the exercise of eminent domain. The City of Lee's Summit has agreed to reimburse Kansas City for all costs associated with acquisition, legal actions, and future maintenance as outlined in the cooperative agreement. This collaboration supports intergovernmental cooperation and ensures safe roadway access for impacted residents.
