Docket Memo

Ordinance/Resolution #: 250943 Submitted Department/Preparer: City Planning Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in Administrative Regulation (AR) 4-1.

Executive Summary

Rezoning an area of about 1.8 acres generally located 150 feet north of the intersection of North Platte Purchase Drive and Northwest 78th Street from District R-80 to District R-7.5 to allow for the creation of an additional residential lot. (CD-CPC-2025-00146).

Discussion

The applicant is requesting to rezone approximately 1.8 acres from District R-80 to District R-7.5. The subject site is currently a single unplatted lot. The rezoning request does not require an accompanying development plan, special use permit, or area plan amendment. However, there is a Minor Subdivision Type II Lot Split (CLDMS-2025-00052) application currently on hold until this proposed rezoning is completed.

Approval of the rezoning would allow the applicant to create an additional lot from the 1.8 acres (please see the attachment). The R-80 Zoning District restricts the creation of the proposed additional lot. R-80 Zoning District requires a minimum of 80,000 square feet to create an additional lot. The Minor Subdivision Lot Split proposes to create an additional lot to the east of the lot that is 1.12 acres in size. The subdivision will also adjust the lot line to north, and create a flag lot to allow for the proposed Lot 1 to have access to the sewer main off North Liberty Street. This review will be a separate process, following approval of the proposed rezoning.

There has been no public testimony received by staff or verbally at the CPC.
