The basis of this Recall Petition:

Mayor Lucas, Lee Barnes Jr. and seven (7) City Council members created two (2) ordinances without including Kansas City citizens and four (4) City Council members that represent, approximately, forty-one Percent (41%) of the Kansas City population. After creating the ordinances, Mayor Lucas, Lee Barnes Jr. and seven (7) City Council members passed these ordinances in violation of Missouri Statute 84.860 by hindering and obstructing the organization and maintenance of the Kansas City Board of Police Commissioners by voting to retract approximately forty-two (42) million dollars previously allocated by City Council.
