Executive Summary

Amending Chapter 88, Zoning and Development Code, by repealing Section 88-120-03, "Uses" (Section 88-120-04), "Lot and Building Standards", and Section 88-810-395 (Country Club Plaza) and enacting in lieu thereof new sections of like number and subject matter to adjust the area included in the area known as the Country Club Plaza.

Discussion

The proposed text amendment as originally introduced amends the boundary of the "Country Club Plaza" area, removing the subject site, and updating the definition to reflect that change. 88-120-03-H and 88-120-04 identify height and use regulations for the "Country Club Plaza" area. Removing 4720 Jefferson St from the "Country Club Plaza" area means that the site is only subject to the base zoning district.

Alternatively, to the introduced ordinance, city staff suggest keeping the property within the defined "Country Club Plaza Area" but updating the height for the subject parcel and amending where office uses are allowed. This suggestion was discussed with the property owner, and it was an agreeable option. As noted in the map attached to this City Council packet, this amendment helps retain a lot of the valuable use restrictions provided by the "Country Club Plaza Area" but allows the underutilized site more building massing.
