

Interdepartmental Communication

DATE: March 4, 2025

TO: Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

FROM: Michael Shaw, Director of Public Works

SUBJECT: Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 66355 through 66370	June 10, 2024
Nos. 66371 through 66388	July 2, 2024
Nos. 66389 through 66407	July 22, 2024
Nos. 66408 through 66424	August 28, 2024
Nos. 66425 through 66433	September 30, 2024
Nos. 66434 through 66482	October 22, 2024

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
