Upon the effective date of the Kansas City, Missouri City Council's ordinance approving the proposed Amended Petition with respect to the River Market Community Improvement District (the "District") authorizing the levy of the special assessments described below, and upon receipt of this Petition signed by the requisite number property owners set forth in Section 67.1521, RSMo, as amended, the District shall be authorized to levy special assessments against real property benefited within the District for the purpose of providing revenue for: (1) safety and security services, (2) maintenance of public and privately owned areas, (3) landscape and streetscape installation, maintenance, repair and replacement, and (4) management and operations, which may include the establishment of reserves (collectively, the "Services"). Such special assessments are to be levied annually against each separate tax parcel of real property within the District ("Parcels") listed on Exhibit A and legally described on Exhibit A-1, both of which are attached hereto and incorporated herein by reference. The cost of such Services and/or projects shall be equally allocated among the Parcels in an annual amount determined according to the methodology set out below. The maximum rates of special assessments and the respective methods of assessment that are being authorized by this Petition are as follows:

Residential Market Value: With respect to the assessment year in which there occurs approval of the Amended Petition by Ordinance (expected to be 2025), the maximum rate imposed by the District shall not exceed \$0.0575 per \$100 of Market Value (defined below) and \$0.09 per square foot of Parcel Land Area (defined below). Thereafter, the maximum rate that may be imposed by the District shall not exceed that amount equal to the immediately preceding year's rate multiplied by 1.03, and in all events, the annual rate for any assessment year shall not exceed \$0.075 per \$100 of Market Value and \$0.117 per square foot of Parcel Land Area.

Commercial Market Value: With respect to the assessment year in which there occurs the approval of the Amended Petition by Ordinance (expected to be 2025), the maximum rate imposed by the District shall not exceed \$0.0675 per \$100 of Market Value and \$0.09 per square foot of Parcel Land Area. Thereafter, the maximum rate that may be imposed by the District shall not exceed that amount equal to the immediately preceding year's rate multiplied by 1.03, and in all events, the annual rate for any assessment year shall not exceed \$0.088 per \$100 of Market Value and \$0.117 per square foot of Parcel Land Area.

For purposes of calculating the District's special assessments: (1) "Market Value" of a Parcel shall be equal to the fair market value of such Parcel for ad valorem tax purposes with respect to the applicable tax year as determined by the Jackson County, Missouri Assessor according to the records of Jackson County, Missouri, and (2) "Parcel Land Area" of a Parcel shall be equal to the total ground level square footage of such Parcel as last determined by the Jackson County, Missouri Assessor according to the records of Jackson County, Missouri.

With respect to special assessments on real property owned by the City or any other governmental body or political subdivision whose real property is not legally subject to the District's special assessments pursuant to applicable law because such real property is owned by a governmental body or political subdivision (a "Governmental Body"), such Governmental Body's joinder in this Petition as a Petitioner does not override the status of such Governmental Body's real property as unassessable by the District.
