Much time has lapsed since Plaza Westport NA provided our testimony in opposition to Ordinance No. 260376. This Ordinance has been continued at least four times at the apparent request of the Applicant. PWNA's opposition remains steadfast. PWNA is joined in its opposition by three other Neighborhood Associations: Valentine, Volker and Old Hyde Park Historic District. Each letter is the Clerk's electronic folder for Ordinance No. 260376.

Please do NOT recommend Ordinance No. 260376 for passage. Amending the Westport Overlay District to allow for drive throughs, with a special use permit, is inconsistent with the extensive planning process, with neighborhood engagement, that created the Westport District Master Plan, and then the Westport Overlay District.

On behalf of the Plaza Westport NA, attached is its testimony in opposition to Ordinance No. 260376. PWNA requests that the NPD Committee vote "no" on Ordinance No. 260376. Such Ordinance would amend the Westport Overlay District to allow for drive throughs, with a special use permit. That is inconsistent with the extensive planning process, with neighborhood engagement, that created the Westport District Master Plan, and then the Westport Overlay District.
