Submitted Department/Preparer: City Planning

Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Approving the plat of Barry West Townhomes - Second Plat, an addition in Platte County, Missouri, on approximately 29 acres generally located north of Northwest Barry Road, east of North Childress Avenue, and south of Highway 152, creating 10 lots and 7 tracts for the purpose of a residential development; accepting various easements; establishing grades on public ways; authorizing the Director of City Planning and Development and Director of Water Services to execute and/or accept certain agreements; and directing the City Clerk to facilitate the recordation of this ordinance and attached documents. (CLD-FnPlat-2022-00034)

Discussion

The request is to consider approval of a Final Plat in District AG-R/R-1.5 on about 29 acres generally located north of Barry West Townhomes First Plat, north of Northwest 86th Terrace and south of Highway 152. This proposal will allow for the creation of 10 lots and 7 tracts for the purpose of a multi-family residential development.

Barry West Townhomes development plan was approved via ordinance number 210030, which also served as the preliminary plat. The rezoning and development allowed for the construction of 354 attached homes across approximately 60 acres in multiple phases.

The proposed Final Plat includes street connections to the existing Barry West Townhomes First Plat to the south. The Final Plat is consistent with the approved Preliminary Plat and complies with the lot and building standards established by the controlling plan.

Final Plats are the legal instruments used to formally subdivide land accordance with the layout approved in the Preliminary Plat, which is often presented in multiple phases, as this proposed plat is. The review of a Final Plat includes verification that all required public utilities have been properly extended and accepted by the City, and

that stormwater detention covenants have been finalized and reviewed for compliance.
