Executive Summary

Approving and designating Redevelopment Project 1 of the I-29 & I-435 Tax Increment Financing Plan as a Redevelopment Project; and adopting tax increment financing therefore.

Discussion

The I-29 & I-435 Tax Increment Financing Plan provides for the construction of a covered airport parking facility on approximately 30.5 acres with an accessory approximately 10,000 square-foot office building that shall include approximately 3,500 square feet of retail space, an approximately 12,000 square-foot convenience store gas station / drive through restaurant and related parking lot improvements, together with public infrastructure improvements, including street improvements, highway roundabout improvements, site demolition, water, stormwater, sanitary sewer, other utilities and related improvements.

By virtue of subsequent amendments to the Plan and separate Ordinances passed by the City Council approving the same, the Plan may include the construction of 230,000 square feet for commercial uses, which may include office, retail or hospitality space, together with two hotels of approximately 155,000 square feet and that may contain approximately 200 rooms and four restaurants with drive throughs / retail uses.

The proposed redevelopment area in which the Project Improvement and Public Improvements will be constructed is an area generally located south of interstate I-435, east of interstate I-29, north of NW Cookingham Drive, and west of Ambassador Drive, including adjacent right-of-way, but exclusive of the existing Ambassador Building and related site improvements, and totaling approximately 68 acres all in Kansas City, Platte County, Missouri
