Project No. AIR 196-106A-2

**MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION
SECOND SUPPLEMENTAL AGREEMENT TO AIRPORT AID AGREEMENT**

THIS AGREEMENT AMENDMENT is entered into by the Missouri Highways and Transportation Commission (hereinafter, "Commission") and the City of Kansas City (hereinafter, "Sponsor").

WITNESSETH:

WHEREAS, the parties entered into an Airport Aid Agreement executed by The Sponsor on April 20, 2020, and executed by the Commission on April 27, 2020 (hereinafter, "Original Agreement") under which the Commission granted the sum of Three Hundred Forty-Three Thousand Seven Hundred Seventy-Eight Dollars (\$343,778) to the Sponsor to assist in specified Design Apron Pavement Rehabilitation; and

WHEREAS, the parties entered into a First Supplemental Airport Aid Agreement executed by the Sponsor on April 27, 2021, and executed by the Commission on May 11, 2021 (hereinafter, "First Supplemental Agreement") under which the Commission extended the project time period from December 31, 2020 to December 31, 2022, to allow for completion of the work; and

WHEREAS, the parties wish to expand the project scope to include construction costs; and

WHEREAS, the Commission previously approved funds for this project; and

WHEREAS, the level of funding originally approved is not sufficient to cover costs associated with this project; and

WHEREAS, the Commission has sufficient funds to increase the grant amount for this project.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations in this Agreement, the parties agree as follows:

(1) PROJECT SCOPE: The purpose of this Agreement is to Design and Construct Apron Pavement Rehabilitation.

(2) ADDITIONAL GRANT: The Commission hereby grants to the Sponsor an additional sum of One Million One Hundred Fifty-Six Thousand Two Hundred Twenty-

Two Dollars (\$1,156,222) for this project. The Sponsor shall provide matching funds of not less than One Hundred Twenty-Eight Thousand Four Hundred Sixty-Nine Dollars (\$128,469) toward the project in addition to those previously committed by the Sponsor in the Original Agreement.

(3) REVIEW OF BIDS AND CONTRACT AWARD: The Commission shall review all contractors' bids and approve the selection of the apparent successful bidder prior to the Sponsor awarding the construction contract.

(4) NOTICE TO PROCEED: After the Commission receives copies of the executed construction contract between the Sponsor and the contractor, the performance and payment bonds, and any other documentation as required by this Agreement, the Commission will authorize the Sponsor to issue a notice to proceed with construction.

(A) The Sponsor shall issue a notice to the contractor within ten (10) days of authorization by the Commission, unless otherwise approved by the Commission.

(B) Any construction work performed prior to the Sponsor's issuance of a Notice to Proceed shall not be eligible for funding participation.

(5) CONSTRUCTION OBSERVATION/INSPECTION REQUIREMENTS: In conjunction with submittal of the Notice to Proceed documentation, the Sponsor shall provide a construction observation/inspection program setting forth a format for accomplishment of resident observation, construction inspection and overall quality assurance.

(6) CONSTRUCTION PROGRESS AND INSPECTION REPORTS: The Sponsor shall provide and maintain adequate, competent and qualified engineering supervision and construction inspection at the project site during all stages of the work to ensure that the completed work conforms with the project plans and specifications. Project oversight by the Commission's project manager or other personnel does not relieve the Sponsor of this responsibility.

(A) The Sponsor shall require the resident project representative to keep daily construction records and shall submit to the Commission a Weekly Construction Progress and Inspection Report (available on MoDOT's aviation section website), completed by the resident project representative. A weekly summary of tests completed shall be included.

(B) Prior to final acceptance, the Sponsor shall provide to the Commission a testing summary report bearing the engineer's seal and including a certification from the engineer that the completed project is in compliance with the plans and specifications.

(C) Certification statements from construction contractors must be provided to ensure all workers, material suppliers, etc. have been paid.

(7) CHANGE ORDERS/SUPPLEMENTAL AGREEMENTS: All change orders/supplemental agreements must be submitted to the Commission for approval prior to implementation to ensure funding eligibility. Requests for additional work for items not included in the original bid must be accompanied by a cost analysis to substantiate the proposed costs.

(8) RECORD DRAWINGS: The Sponsor shall provide one (1) electronic set of as-built construction drawings on a compact disc in .pdf format copied to a single file (each sheet must be sealed, signed, and dated by the engineer) to the Commission upon project completion. In addition, the Sponsor shall provide six updated Airport Layout Drawings (ALD's) showing as-built conditions, if required. The Commission will forward updated ALDs to the FAA central region office.

(9) FILING NOTICE OF PROPOSED CONSTRUCTION OR ALTERATION: When a development project that does not involve changes to the runway will be implemented at an airport, the Sponsor must electronically submit FAA form 7460-1 ("Notice of Proposed Construction of Alteration") to the FAA not less than one hundred twenty (120) days prior to commencement of any construction or alteration. Electronic submittal of FAA form 7460-1 must be submitted for construction of any permanent structures on the airport, temporary structures over 20 feet in height or use of construction equipment over 20 feet tall. It is not necessary for routine construction projects, unless they include above ground installations.

(10) PROMPT PAYMENT: The Commission and the Sponsor require all contractors to pay all subcontractors and suppliers for satisfactory performance of services in compliance with Section 34.057 RSMo, Missouri's prompt payment statute. Pursuant to section 34.057 RSMo, the Commission and the Sponsor also require the prompt return of all retainage held on all subcontractors after the subcontractors' work is satisfactorily completed, as determined by the Sponsor and the Commission.

(11) STATE WAGE LAWS: The Sponsor and its subcontractors shall pay the prevailing hourly rate of wages for each craft or type of worker required to execute this project work as determined by the Department of Labor and Industrial Relations of Missouri, and they shall further comply in every respect with the minimum wage laws of Missouri. The Sponsor shall take those acts which may be required to fully inform itself of the terms of, and to comply with, any applicable state wage laws.

(12) ORIGINAL AGREEMENT: Except as otherwise modified, amended, or supplemented by this Supplemental Agreement, the Original Agreement and First Supplemental Agreement between the parties shall remain in full force and effect and the unaltered terms of the Original Agreement and First Supplemental Agreement shall extend and apply to this Second Supplemental Agreement.
