

Dear Public Testimony,

I'm writing to ask you to oppose Ordinance 250382. This is not because I think we can defund our busses, but rather because I think we must pivot away from the outright madness that is our car-centric infrastructure to fund busses and initiatives like Vision Zero. We can do both, and we must do both if we want a liveable city in the future.

Regards,

Charles-Elizabeth Boyles
