### Executive Summary

Rezoning an area of about 42 acres generally located at the northwest corner of NE Vivion Road and N Chouteau Trafficway from District UR to District UR and approving a development plan serving as a major amendment to a previously approved UR district to change permitted uses. (CD-CPC-2026-00009).

### Discussion

The proposed amendment to the Antioch Crossing UR plan will allow more variety of uses. All permitted and prohibited uses are identified in the Development Data table on sheet C2.0. Previous permitted uses were specific to each lot and mostly limited to retail, restaurant, and office, with the exception of vehicle repair use on Lot 7 at the southern portion of the site and self-storage on Lot 15 at the northeastern corner of the site. Proposed permitted uses generally include retail, restaurant, and office, with additional specific lots allowing all uses in the B2 zoning district, vehicle repair, carwash, self-storage, and indoor entertainment venue. Prohibited uses include ambulance service, adult media store, pawn shop, short-term loan establishment, cemetery/columbarium/mausoleum, cremating, undertaking, and short-term rentals.

There are no proposed changes to the site plan, and any new construction will require a UR final plan. The site is still subject to all conditions from the previously approved ordinance. There was no public testimony before the CPC.
