Maple Park Neighborhood Council

October 22, 2019

Neighborhood Planning and Development
414 E 12th St
Kansas City Mo. 64106

Dear Councilmembers;

We, as a neighborhood, would like to express our concerns in regards to the nonconforming lot ordinance.

We are not in favor of construction, of any kind, taking place directly on existing property lines. We are also very concerned about what this could mean in the form of gentrification.

We feel that affordable housing should be used as a stipulation in the working of this ordinance. Please do not allow mini mansions to push out the low income/working class.

Please do not allow builders to impair existing property, that we call home, our community.

We, as a community, would like to ask that our thoughts be with you when the decisions are finalized.

Best Regards,

Carolyn Thompson
President
Maple Park Neighborhood Council
