Good day.

I do not support public financing of privately owned sports stadiums in any form, no matter the sport. This ordinance would redirect tax dollars that could have been spent to benefit the entire city to benefit the already wealthy owners of the KC Current.

Studies have repeatedly shown that public financing of private sports stadiums does not provide a net benefit to the city as a whole. This ordinance is a bad idea wrapped in a pretty package, and I urge the city council to oppose it.

Thank you,
