I am writing in opposition of the proposed ordinance 260056. Please do not grant the property owner zoning for an event space. This property is located amongst residences. His past events, held without the proper zoning, have resulted in many nuisances for our neighborhood. There has been loud music, crowds in the street, noise, parking fiascos and even fireworks. Pictures have been turned into KC Compass showing his guests park and block the fire hydrant on 5th Street. He and his renters have shown total disregard for the residents of Columbus Park. If granted, this will hurt property values and the safety of our neighborhood.

Thank you for your time.

Salvatore E. Valenti

Columbus Park property owner and resident
