No term, covenant, or condition of this Agreement can be waived except by written consent of City, and forbearance or indulgence by City in any regard whatsoever shall not constitute a waiver of same to be performed by Design Professional to which the same may apply and, until complete performance by Design Professional of the term, covenant or condition, City shall be entitled to invoke any remedy available to it under this Agreement

or by law despite any such forbearance or indulgence.

Sec. 11. Acceptance.

City has the right to take action as directed by City's Human Relations Department to enforce this provision. If Design Professional fails, refuses or neglects to comply with the provisions of Chapter 3 of City's Code, then such failure shall be deemed a total breach of this Contract and this Contract may be terminated, canceled or suspended, in whole or in part, and Design Professional may be declared ineligible for any further contracts funded by City for a period of one (1) year. This is a material term of this Contract.

Sec. 17. Tax Compliance.

City shall have the right to reject, at any point during the term of this Contract, any subcontractor identified by Design Professional, and to require that any subcontractor cease working under this Contract. TASK SERIES 900 – ADDITIONAL DESIGN AND SUPPORT SERVICES

Task 901 East High School Athletic Field Support

DESIGN PROFESSIONAL will respond to requests for information (RFI) and review submittals; provide construction observation (including special inspections of the rain garden retaining wall); attend bi-weekly progress meetings; and coordinate with the City and KCPS staff and design team for the installation of green infrastructure related to the athletic field improvements overseen by KCPS. DESIGN PROFESSIONAL will also perform substantial completion and final completion walk-throughs for the green infrastructure facilities, and will prepare punch list items to be included in KCPS punch lists for both inspections.

Concurrently, DESIGN PROFESSIONAL will direct and oversee students in preparation of a planting plan for the rain garden at East High School, including preparation of guidance to help direct plant selection and placement; will conduct one (1) planning workshop with student groups; will draft the final plan for incorporation into the construction document set; and will make two (2) presentations to students about Green Infrastructure and the proposed East High School improvements. DESIGN PROFESSIONAL will also provide information to KCPS regarding the 3-year establishment period maintenance to allow KCPS students, faculty and staff to assist with maintenance, build it into the curriculum, and plan to assume long-term maintenance responsibility after establishment. If budget and schedule permits, DESIGN PROFESSIONAL will also work with KCPS-recruited student, faculty, and parent volunteers for a maintenance day in 2019.

Task 902 Construction Document Revisions

DESIGN PROFESSIONAL will revise the Construction documents to incorporate direction from WSD and Smart Sewer personnel received after closeout of the design phase contract. Three (3) rounds of revisions to the plans and specifications will be incorporated.

Task 903 Operations and Maintenance Manuals

DESIGN PROFESSIONAL will create an Operations and Maintenance (O&M) Manual for each of the three (3) sites. O&M manuals provide details on care of vegetation during the three (3) year establishment period, general annual maintenance afterward; and routine inspection and maintenance of drainage structures. DESIGN PROFESSIONAL will provide one (1) round of revisions to incorporate CITY comments; and will provide one (1) meeting with maintenance staff for each site to review the requirements.

Task 904 Prepare East High School Construction Documents

DESIGN PROFESSIONAL will prepare a stand-alone construction document package for East High School to allow for the work to be bid separately from the VA and AOL sites. The revisions will include preparation of a cover sheet and needed revisions to plan documents, sequencing and references; and revisions to the specifications tailored to East High School.

Task 905 Prepare VA and Avenue of Life Construction Documents

DESIGN PROFESSIONAL will revise plans for Linwood Green Park to incorporate Parks and Recreation Department Federal government requirements for maintenance access, vehicular barriers, and educational signage features at the site, including:

1. Plan revisions to meet Parks and Recreation Department requirements for Linwood Green Park. The revisions will include preparation of a draft plan for additional maintenance vehicle access to the Green Infrastructure features, strategically placed barriers to prevent unauthorized vehicles, and incorporation of an educational sign providing an overview of the features and their purpose and function. **DESIGN PROFESSIONAL** will specify an appropriate off-the-shelf sign and design the setting, and **CITY** will develop the content for the sign.
2. **DESIGN PROFESSIONAL** will provide the draft plan(s) to Parks and Recreation staff for review and comment; and will present the revised plan to the Development Review Committee. One (1) round of minor review comments.

One (1) round of revision will be incorporated into final, sealed construction documents. **DESIGN PROFESSIONAL** assumes that the revisions will be minor in nature and will not significantly impact the design or function of the Green Infrastructure features or related structures and hydraulic performance.

3. **DESIGN PROFESSIONAL** will prepare a stand-alone construction document package for the VA and Avenue of Life sites to allow for the work to be bid separately from the East High School site. The revisions will include preparation of a cover sheet and needed revisions to plan documents, sequencing and references; and revisions to the specifications tailored to VA and Avenue of Life.

Task 906 Memoranda of Understanding (MOU) Development Assistance

DESIGN PROFESSIONAL will provide information on proposed Green Infrastructure features and related structures, including descriptions, location, access requirements, and operations and maintenance needs to assist the **CITY** in preparing MOUs with each of the three (3) site owners or operators. **DESIGN PROFESSIONAL** will also prepare figures illustrating the improvements for attachment to the MOUs.

ARTICLE I

PURPOSE AND AUTHORITY

This Memorandum of Understanding (MOU) sets forth the points of agreement between the Department of Homeland Security (DHS) and Patti Banks Associates (Employer) regarding the Employer's participation in the Employment Eligibility Verification Program (E-Verify). This MOU explains certain features of the E-Verify program and enumerates specific responsibilities of DHS, the Social Security Administration (SSA), and the Employer. E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of the Employment Eligibility Verification Form (Form I-9). L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). Authority for use of the E-Verify program by Federal contractors and subcontractors covered by the terms of Subpart 22.18, "Employment Eligibility Verification", of the Federal Acquisition Regulation (FAR) (hereinafter referred to in this MOU as a "Federal contractor with the FAR E-Verify clause") to verify the employment eligibility of certain employees working on Federal contracts is also found in Subpart 22.18 and in Executive Order 12989, as amended.
