Executive Summary

Approving an amendment to the Truman Plaza Area Plan on about 1.2 acres generally located at the northeast corner of E. 12th Street and Hardesty Avenue by changing the recommended land use from residential urban low density to mixed use neighborhood to allow for the construction of a medical office (CD-CPC-2025-00065)

Discussion

KC Care Health Center is proposing to construct a new clinic and office at the northeast corner of E. 12th Street and Hardesty Avenue. The site is 1.2 acres consisting of two parcels and is currently split zoned B3-2 (Commercial) and R-1.5 (Residential). The existing structure which will be demolished was previously used as a Knights of Columbus Hall. Only a very small portion of the site, less than 7,500 square feet (southwest corner) where the existing building is located, is zoned B3-2. The proposed use (medical office and office) is not permitted in the R-1.5 zoning district, which requires a rezoning to commercial zoning district. Staff and the applicant agreed that rezoning the site to B1-1 would permit the future medical office and prohibit more intensive uses as the site is adjacent to residential zoning and uses. The B1-1 zoning is compatible with multiple properties zoned the same along the southside of E. 12th Street.

Staff from the Long Range Planning Division required an area plan amendment to the Truman Plaza Area Plan to change the future recommended land use from residential low density to mixed use neighborhood. The rezoning to B1-1 and area plan amendment to the Truman Plaza Area Plan will bring the proposed project into conformance with the City's adopted plans and planning policies.

The applicant held public engagement on April 28th, 2025 and staff did not receive any letters of opposition to the rezoning application. The City Plan Commission heard the case on June 4th, 2025 and voted 4-0 to recommend approval of the area plan amendment.
