Hi,

My name is Jake Damiano. Please do not include natural Kratom leaf in Ordinance #251028. I used to have problems with alcohol addiction and through the use of kratom and counseling, I am proud to say I have been clean for 8 years now. I am a happy and productive member of society, currently working as an aerospace engineer. I do not know what I will do if natural kratom leaf is made illegal or banned. I do not believe it should be made illegal, it is nothing like alcohol or other drugs or the synthetic kratom extracts and has vastly improved my quality of life. If you would like to talk more, please contact my cell at 678-735-2387.

Best regards,
Jake
