Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

### Executive Summary

A request to approve a major amendment to an approved UR Preliminary Development Plan in District UR (Urban Redevelopment) on about 103 acres generally located at US 169 and NW Barry Road. - This will amend the controlling plan to allow additional uses at the site of the former Macy's department store.

### Discussion

The applicant is proposing to amend the previously approved UR development plan to allow for additional uses on the former Macy's site. No new structures are proposed. Macy's occupied a 204,000 square foot structure on the far western edge of the UR development area. The large structure has been vacant since Macy's closed in March 2025. The applicant is proposing to repurpose the former structure to allow for a variety of uses which requires a major amendment to the previously approved development plan which only called for "retail" at this specific location. The proposed uses include: retail sales, lodging, office and medical offices, personal improvement services, eating and drinking establishments and entertainment venues and spectator sports. Staff is not requiring a revised traffic impact study or new utilities to serve the proposed uses.

The applicant held the required public engagement meeting on June 11, 2025.

On May 18, 2025 the City Plan Commission voted 7-0 to recommend approval with conditions for the proposed development plan and rezoning.
