**PLAN REVIEW**

The applicant is seeking to rezone the subject property from R-1.5 (Residential) to B1-2 (Neighborhood Business) so the site's zoning district reflects existing conditions. Additionally, for a commercial office-like structure the B1-2 zoning designation provides the property with more opportunities for potential growth. Review the use table below for examples.

Use	R-1.5	B1-2
Residential Living	P	P
Nursing Home	P	P
Religious Assembly	P/S	P
Residential Mixed-Use Building	-	P
Daycare Center	-	P
Eating or Drinking Establishments	-	P
Bank	-	P
Office (includes Medical)	SUP	P

The proposed rezoning can bring the existing building more into compliance with the commercial lot and building and sign standards.

**SPECIFIC REVIEW CRITERIA****Zoning and Development Code Map Amendments, Rezoning (88-515-08)**

In reviewing and making decisions on proposed zoning map amendments, the City Planning and Development Director, City Plan Commission, and City Council must consider at least the following factors:

**A. Conformance with adopted plans and planning policies;**

The companion case CD-CPC-2025-00019 proposes to change the Future Land Use designation from Office/Residential to Mixed-Use Neighborhood, which would better align with the B1- zoning designation.

The Office/Residential future land use is intended for office, residential, or live-work development but does not specifically align with a zoning district. The Midtown/Plaza Area Plan states that the Mixed Use Neighborhood designation is "intended to accommodate and promote neighborhood-serving retail sales or service uses, as well as mixed-use development consisting of business uses on a building's lower floors and residential uses on upper floors. This type of vertical, mixed-use development that includes a variety of business and residential choices should enhance the pedestrian environment of the community ... This land use classification generally corresponds with the 'B1-' zoning category within the zoning ordinance."

**B. Zoning and use of nearby property;**

B1- zoned property exists to the west of the subject property.

**C. Physical character of the area in which the subject property is located;**

Madison Ave, a Thoroughfare between the Country Club Plaza and Westport, is a mixture of office, commercial businesses, and high-density residential uses.

**D. Whether public facilities (infrastructure) and services will be adequate to serve development allowed by the requested zoning map amendment;**

The public facilities and services needed for development are accessible at the subject site. Public facility and service adequacy for any proposal will be assessed during the building permit review.

**E. Suitability of the subject property for the use to which it has been restricted under the existing zoning regulations;**

The existing use is allowed to remain in operation in the current zoning district, however, new uses/businesses or building additions must comply with R-1.5 regulations.

**F. Length of time the subject property has remained vacant as zoned;**

N/A

**G. The extent to which approving the rezoning will detrimentally affect nearby properties; and**

Since the immediately surrounding commercial properties are zoned B1- , city staff does not believe the proposed rezoning will detrimentally affect nearby properties.

**H. The gain, if any, to the public health, safety, and welfare due to denial of the application, as compared to the hardship imposed upon the landowner, if any, as a result of denial of the application.**

If the proposed rezoning is not approved the property owner would be limited, use-wise, in future growth opportunities.

**ATTACHMENTS**

1. Applicants Submittal
2. Public Engagement Materials
3. Written Public Testimony
4. KC Spirit Alignment (CompassKC)

**PROFESSIONAL STAFF RECOMMENDATION**

**Kansas City Missouri Planning and Zoning Commission**

City Planning & Development Department 414 E. 12th St.  
Kansas City, MO 64106

Dear Members of the Planning and Zoning Commission,

I am writing on behalf of Great Master LLC, the owner of the properties located at 4408 Madison Ave (Parcel Number 140699) and 4420 Madison Ave (Parcel Number 140698) in Kansas City, MO. We are formally requesting the rezoning of these properties from R1.5 to B1-2.

**Describe Your Request:**

The properties in question are currently zoned R1.5, which has proven to be restrictive in attracting investors or co-developers interested in participating in their development. The requested rezoning to B1-2 is intended to provide greater flexibility and enable a broader range of commercial development opportunities that align with the surrounding area's growth and potential.

Although we do not have a specific development plan at this stage, rezoning is essential to make these properties more appealing to potential stakeholders who may have the vision and resources to capitalize on the area's commercial potential. This zoning change will facilitate more diverse and economically viable uses for the properties.

**Legal Description:**

The properties under consideration are legally described as follows:

**• 4408 Madison Ave, Kansas City, MO 64111**

- o Parcel Number: 140699

- o Current Zoning: R1.5

- o Requested Zoning: B1-2

- **4420 Madison Ave, Kansas City, MO 64111**

- o Parcel Number: 140698
- o Current Zoning: R1.5
- o Requested Zoning: B1-2

We appreciate your time and consideration of this request and are ready to provide any further information that may assist in your decision-making process. We look forward to your favorable response and to continuing our collaboration with the City Planning and Development Department.

Sincerely,

**Omid Shahbazian**

Additional Comments (optional):

April 1, 2025

To Whom It May Concern,

I am writing to state that the West Plaza Neighborhood Association (WPNA) Board of Directors carried out a vote regarding the proposed Genesis Companies Rezoning request for 4408 Madison Avenue and 4420 Madison Avenue (Case No CD-CPC-2025-00001 and Case No CD-CPC-2025-00019).

Genesis Companies / Great Masters provided an in-person event for the public and board at 4420 Madison Avenue on 2025-03-25 at 6:00pm. Information was posted on the WPNA Facebook group for the neighborhood association, and we provided an opportunity for residents to submit questions and provide feedback.

Regarding the proposed rezoning from R1.5 to B1-2 (Case No CD-CPC-2025-00001), and amendment to change the future land use designation from Office/Residential to Mixed-Use Neighborhood (Case No CD-CPC-2025-00019), the WPNA Board has voted unanimously to take a stance of **non-opposition** for the project.
