On behalf of my fellow tenants across the 4th district where I live and across our city, I am calling on all City Council to vote YES right to counsel. Our community is counting on you to protect your neighbors and neighborhoods and give due process and representation in our court system. Together we can keep folks in their homes, create stable pathways to meet their needs and meet the needs of landlords with the same stable due process.

Vote YES on Ordinance 211067 Tenants' Right to Counsel!
