- (4) A construction budget, with respect to any proposed physical improvements, that is structured to address and remediate the cited blighting factors and conditions identified in the submitted blight study. Such budget shall specify which expenditures are associated with exterior improvements, public improvements, or other improvements; and
- (5) A time schedule clearly setting forth timelines for commencement and completion of remediation of cited blighting factors or conditions.

(d) *City manager execution.* The city manager shall not execute any petition on behalf of the city as a property owner seeking to establish a CID unless authorized by the city council.
