Good morning.

I am a resident of the Historic Northeast and am writing in support of Ordinance 260283. The KCU campus is the threshold to our neighborhood which is full of historic character. Smith Hall helps to ground their campus with that character. We have lost too many historic properties of late and must be more active in protecting our history, particularly in neighborhoods such as ours. Thanks so much for your consideration.

Kind Regards,
The Rev. Canon Chas Marks
