Docket Memo

Ordinance/Resolution #: 260337

Submitted Department/Preparer: City Planning

Revised 01/30/25

Executive Summary

Rezoning an area of about 3.5 acres generally located at southeast corner of North Broadway and Northwest Barry Road from District B1-1 (Neighborhood Business 1) to District B2-1 (Neighborhood Business 2). (CD-CPC-2026-00024)

Discussion

The applicant is requesting to rezone approximately 3.5 acres from District B1-1 to District B2-1. The subject site is one previously platted lot that has been split into three parcels. There are three commercial buildings developed on the parcels. The rezoning request does not require an accompanying development plan, special use permit, or area plan amendment. Approval of the rezoning would allow the applicant to establish a drive-through use at the easternmost site, identified as 211 Northwest Barry Road which is first permitted in the B2 Zoning District. The proposal is to demolish the existing building on 211 Northwest Barry Road to construct a drive-through facility.

There was no public testimony at the City Plan Commission or submitted to staff at the time of writing this Docket Memo.
