- (c) CONTRACTOR shall defend, indemnify and hold harmless CITY from and against all claims arising out of or resulting from all acts or omissions in connection with this Contract caused in whole or in part by CONTRACTOR or CONTRACTOR's Agents, regardless of whether or not caused in part by any act or omission, including negligence, of CITY. CONTRACTOR is not obligated under this Section to indemnify CITY for the sole negligence of CITY.
- (d) In no event shall the language in this Section constitute or be construed as a waiver or limitation of the CITY's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

Sec. 19. Indemnification for Professional Negligence. If this contract is for professional services, CONTRACTOR shall indemnify, and hold harmless CITY and any of its agencies, officials, officers, or employees from and against all claims, damages, liability, losses, costs, and expenses, including reasonable attorneys' fees, arising out of any negligent acts or omissions in connection with this Contract, caused by CONTRACTOR, its employees, agents, subcontractors, or caused by others for whom CONTRACTOR is liable, in the performance of professional services under this Contract.  - a. The Policy shall include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the Agency in the care, custody, or control of the Vendor. If the Vendor maintains broader coverage and/or higher limits than the minimums shown above, the Entity requires and shall be entitled to the broader coverage and/or the higher limits maintained by the contractor. In the event CONTRACTOR fails to maintain the required insurance coverage in effect, CITY may declare CONTRACTOR in default.
- (f) In no event shall the language in this Section constitute or be construed as a waiver or limitation of the CITY's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

Sec. 21. Interpretation of the Contract.

- (a) CITY selected CONTRACTOR through a negotiated procurement process rather than an Invitation for Bids (IFB) solicitation. Unlike the IFB, this process allows the CITY and CONTRACTOR to discuss and negotiate a contract at arms length prior to entering a final contract that is acceptable to both the CITY and the CONTRACTOR. After negotiation and discussion, CONTRACTOR and CITY have incorporated multiple documents into this Agreement and the meaning of some of the words used in the Agreement may be uncertain, incomplete or duplicative and the Agreement may promise something at one place and take that promise away at another. In sum, the Agreement may contain words and provisions that are susceptible of more than one meaning so that reasonable persons of average intelligence may fairly and honestly differ in their construction of the words and provisions. It is the intent of the CITY and the CONTRACTOR that the CITY's taxpayers receive the benefit or advantage in the construction and interpretation of this Agreement, regardless of the normal judicial rules of contract construction even if the construction and interpretation of the Agreement will cost the CONTRACTOR more money and time. CITY and CONTRACTOR agree that CITY's Manager of Procurement Services shall resolve all disagreements as to the meaning of this Agreement or any ambiguity in this Agreement, in favor of the CITY and its taxpayers even if it will cost the CONTRACTOR more money and time. The decision of CITY's Manager of Procurement shall be final and conclusive if the Manager of Procurement Services acted in good faith.
- (b) CONTRACTOR acknowledges and agrees that the CITY has provided CONTRACTOR with an opportunity to have CONTRACTOR's attorney review and advise CONTRACTOR on the Agreement and any potential ambiguities or areas of disagreement and the potential adverse legal consequences of CONTRACTOR agreeing to this Section as well as the entire Agreement. CONTRACTOR certifies that CONTRACTOR has provided the CITY written notice of all ambiguities, conflicts, errors or discrepancies that it has discovered in the Agreement and the written resolution thereof by the CITY as embodied in this final Agreement is acceptable to CONTRACTOR.
- (c) CONTRACTOR certifies that CONTRACTOR has either (1) waived its right to have CONTRACTOR's attorney review this Section and Agreement; or (2) CONTRACTOR has consulted with an attorney on this Section and Agreement.
- (d) CONTRACTOR knowingly and voluntarily agrees to this Section and the entire Agreement. CONTRACTOR certifies that this contract was not procured by fraud, duress or undue influence.

Sec. 22. Contract Execution. This Contract may be executed in one or more counterparts, each of which will be deemed an original copy of this Contract and all of which, when taken together, will be deemed to constitute one and the same Contract. This Contract shall be effective upon the execution of counterparts by both parties, notwithstanding that both parties may not sign the same counterpart. The parties' signatures transmitted by facsimile or by other electronic means shall be proof of the execution of this Contract and shall be acceptable in a court of law.

Sec. 23. Guaranteed Lowest Pricing. CONTRACTOR certifies that this Contract contains CONTRACTOR's lowest and best pricing for all services supplied by CONTRACTOR to any government, governmental entity, political subdivision, city, state, school district or any other public entity in the United States as of the date of this Contract.

Sec. 24. Assignability and Subcontracting.

- (a) Assignability. Contractor shall not assign or transfer any part or all of Contractor's obligation or interest in this Contract without prior written approval of City. If Contractor shall assign or transfer any of its obligations or interests under this Contract without the City's prior written approval, it shall constitute a material breach of this Contract. This provision shall not prohibit contractor from subcontracting as otherwise provided for herein.
- (b) Subcontracting. Contractor shall not subcontract any part or all of Contractor's obligations or interests in this Contract unless the subcontractor has been identified in a format required by City. If Contractor shall subcontract any part of Contractor's obligations or interests under this Contract without having identified the subcontractor, it shall constitute a material breach of this Contract. The utilization of subcontractors shall not relieve Contractor of any of its responsibilities under the Contract, and Contractor shall remain responsible to City for the negligent acts, errors, omissions or neglect of any subcontractor and of such subcontractor's officers, agents and employees. City shall have the right to reject, at any point during the term of this Contract, any subcontractor identified by Contractor, and to require that any subcontractor cease working under this Contract. City's right shall be exercisable in its sole and subjective discretion. City shall not be obligated to pay or be liable for payment of any monies which may be due to any subcontractor. Contractor shall include in any subcontract a requirement that the subcontractor comply with all requirements of this Contract in performing Contractor's services hereunder.

Sec. 25. Professional Services – Conflict of Interest Certification. If this Contract is for professional services other than for medical doctors or appraisers, CONTRACTOR certifies that CONTRACTOR is not an expert witness for any party in litigation against the CITY at the time of the issuance of this Contract.

Sec. 26. Intellectual Property Rights. CONTRACTOR agrees, on its behalf and on behalf of its employees and agents, that it will promptly communicate and disclose to CITY all computer programs, documentation, software and other copyrightable works ("copyrightable works") conceived, reduced to practice or made by CONTRACTOR or its agents, whether solely or jointly with others, during the term of this Contract resulting from or related to any work CONTRACTOR or its agents may do on behalf of CITY or at its request. All inventions and copyrightable works that CONTRACTOR is obligated to disclose shall be and remain entirely the property of CITY. It is agreed that all inventions and copyrightable works are works made for hire and

shall be the exclusive property of CITY. CONTRACTOR hereby assigns to CITY any rights it may have in such copyrightable works. CONTRACTOR shall cooperate with CITY in obtaining any copyrights or patents.

Sec. 27. Minority and Women's Business Enterprises. CITY is committed to ensuring that minority and women's business enterprises (M/WBE) participate to the maximum extent possible in the performance of CITY contracts. If M/WBE participation goals have been set for this Contract, CONTRACTOR agrees to comply with all requirements of City's Minority and Women's Business Enterprise Program as enacted in CITY'S Code Chapter 3 Sections 3-421 through 3-469 and as hereinafter amended. CONTRACTOR shall make its good faith efforts in carrying out this policy by implementing its Contractor Utilization Plan. If CONTRACTOR fails to achieve the M/WBE goals stated in its Contractor Utilization Plan, as amended, the CITY will sustain damages, the exact extent of which would be difficult or impossible to ascertain or estimate at the time of execution of this contract. Therefore, in order to liquidate those damages, the monetary difference between the amount of the M/WBE goals set forth in this Contractor Utilization Plan, as amended, and the amount actually paid to qualified MBEs and WBEs for performing a commercially useful function will be deducted from the CONTRACTOR'S payments as liquidated damages. In determining the amount actually paid to qualified MBEs and WBEs, no credit will be given for the portion of participation that was not approved by the Director of City's Human Relations Division, unless the Director determines that the CONTRACTOR acted in good faith. No deduction for liquidated damages will be made when, for reasons beyond the control of the CONTRACTOR, the M/WBE participation stated in the Contractor Utilization Plan, as amended and approved by the Director, is not met.

Sec. 28. Employee Eligibility Verification. CONTRACTOR shall execute and submit an affidavit, in a form prescribed by the CITY, affirming that CONTRACTOR does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under federal law to work in the United States as defined in 8 U.S.C. §1324a(h)(3). CONTRACTOR shall attach to the affidavit documentation sufficient to establish CONTRACTOR's enrollment and participation in an electronic verification of work program operated by the United States Department of Homeland Security to verify information of newly hired employees, under the Immigration and Reform and Control Act of 1986. CONTRACTOR may obtain additional information about E-Verify and enroll at <https://e-verify.uscis.gov/enroll/StartPage.aspx?JS=YES>. For those CONTRACTORs enrolled in E-Verify, the first and last pages of the E-Verify Memorandum of Understanding that CONTRACTOR will obtain upon successfully enrolling in the program shall constitute sufficient documentation for purposes of complying with this section. CONTRACTOR shall submit the affidavit and attachments to the CITY prior to execution of the contract, or at any point during the term of the contract if requested by the CITY.

Sec. 29. Emergencies.

- (a) Disaster means any large scale event such as an act of terrorism, fire, wind, flood, earthquake or other natural or man-made calamity which results in, or has the potential to result in a significant loss of life or property.
- (b) During and after a disaster, CONTRACTOR shall provide special services to the CITY including CONTRACTOR shall open CONTRACTOR's facilities even on nights and weekends as necessary to meet the needs of the City during a disaster.
- (c) CONTRACTOR shall not charge CITY any fee for opening facilities during an emergency or for extending CONTRACTOR's hours of operation during a disaster. CITY shall pay CONTRACTOR the agreed upon contract prices for all purchases made by CITY during the

disaster and CONTRACTOR shall not charge CITY any additional mark-up, fee or cost for any purchases made by CITY during a disaster.

- (d) CONTRACTOR shall quickly mobilize CONTRACTOR's internal and external resources to assist CITY when a disaster unfolds.
- (e) Extended hours and personnel. During disasters, CONTRACTOR's facilities shall stay open 24 hours if requested by the CITY. CONTRACTOR shall utilize additional CONTRACTOR personnel to take CITY orders if necessary. CONTRACTOR's Call Center shall accept phone orders 24 hours a day.
- (f) CONTRACTOR shall have contingency plans with CONTRACTOR's suppliers to provide additional supplies and equipment quickly to CITY as needed.
- (g) CONTRACTOR shall cooperate with CITY to properly document any and all expenses incurred by CITY with CONTRACTOR and CONTRACTOR shall assist CITY in meeting any and all documentation requirements of the Federal Emergency Management Agency (FEMA).

Sec. 30 Trade-In. If the solicitation requests a price or value for one or more pieces of equipment to be traded in as part of the purchase of new equipment, the CITY retains the option to purchase the new equipment at the full price or to reduce the price of the new equipment by the amount of the trade-in offered. The CITY is not obligated to accept the trade-in offer and may withdraw equipment offered for trade-in at any time up to award.

Sec. 31. Time of Delivery. Delivery is required to be made in accordance with the schedule shown in the solicitation and purchase order.

Sec. 32. F.O.B. Destination. Unless otherwise directed in the solicitation and purchase order, all deliveries shall be F.O.B. Destination and all freight charges shall be included in the total price. Supplies shall be delivered to the destination consignee's warehouse unloading platform, or receiving dock, at the expense of the CONTRACTOR. The CITY shall not be liable for any delivery, storage, demurrage, accessorial, or other charges involved prior to the actual delivery (or "constructive placement" as defined in carrier tariffs) of the supplies to the destination, unless such charges are caused by an act or order of the CITY acting in its contractual capacity. If rail carrier is used, supplies will be delivered to the specified unloading platform of the consignee. If motor carrier (including "piggy-back") is used, supplies will be delivered to truck tailgate at the unloading platform of the consignee. If the CONTRACTOR uses rail carrier or freight forwarder for less than carload shipments, he shall assure that the carrier will furnish tailgate delivery if transfer to truck is required to complete delivery to consignee. One of the following statements usually will appear on the purchase order, although others may be used. If no statement appears, paragraph 22(a) is applicable.

- (a) F.O.B. Destination, Freight Prepaid by Seller. The seller pays and bears all freight charges.
- (b) F.O.B. Destination, Freight Prepaid and Charged Back on Invoice. The seller pays the freight and charges the CITY by adding it to the invoice.
- (c) F.O.B. Destination, Freight Collect. The CITY pays and bears the freight charges.

- (d) F.O.B. Destination, Freight Collect and Allowed on Invoice. The CITY pays the freight charges and deducts the amount from the seller's invoice.

Sec. 33. Quality. Unless otherwise required by terms of the solicitation, all goods, supplies, and materials furnished shall be new, in current production, and the best of their kind. When applicable, parts and maintenance shall be reasonably available. New equipment that is obsolete or technically outdated is not acceptable. Remanufactured or reconditioned items are not considered new. Items shall be properly packaged, packed, labeled, and identified in accordance with commercial standards acceptable to the trade and as required by ICC and other federal and state regulations. Packing slips will accompany the shipment.

Sec. 34. Price. Prices quoted are to be firm and final. All prices quoted shall be net and shall reflect any available discount except for discounts for timely payment. All prices are to be F.O.B. designated delivery point. All shipping, packing, and drayage charges are the responsibility of the supplier. C.O.D. shipments will not be accepted unless otherwise agreed to by the City.

Sec. 35. Brand Name or Equal. Whenever the name of the manufacturer or the supplier is mentioned on the face hereof and the words "or equal" do not follow, it shall be deemed that the words "or equal" shall follow such designations unless the face hereof specifies "no substitutions". The CITY may assume that items submitted are equal or it may request samples and proof thereof and unless approved before shipment, reserves right to return at the CONTRACTOR'S expense all items that are not acceptable as equals, said items to be replaced by the CONTRACTOR with satisfactory items at the original submitted price.

Sec. 36. Commercial Warranty. The CONTRACTOR agrees that the supplies or services furnished under this contract shall be covered by the most favorable commercial warranties the CONTRACTOR gives to any customer for such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the CITY by any other clause of this contract.

Sec. 37. Discounts.

- A. Prompt payment discounts offered for payment within less than twenty (20) calendar days will not be considered in evaluating proposals for award, unless otherwise specified in the solicitation. However, offered discounts of less than twenty (20) days will be taken if payment is made within the discount period, even though not considered in the evaluation of proposals.
- B. In connection with any discount offered, time will be computed from date of delivery of the supplies to the carrier when acceptance is at the point of origin, or from date of delivery at destination when delivery and acceptance is at destination, or from the date the correct invoice or voucher is received in the office specified by the CITY, if the latter is later than the date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the CITY check.
- C. Any discount offered other than for prompt payment should be included in the net price quoted and not included in separate terms. In the event this is not done, the CITY reserves the right to accept the discount offered and adjust prices accordingly on the purchase order.

Sec. 38. Sellers Invoice. Invoices shall be prepared and submitted in duplicate to address shown on the purchase order. Separate invoices are required for each purchase order. Invoices shall contain the following

information: purchase order number, item number, description of supplies or services, sizes, unit of measure, quantity, unit price, and extended totals.

Sec. 39. Inspection and Acceptance. Inspection and acceptance will be at destination unless specified otherwise, and will be made by the CITY department shown in the shipping address or other duly authorized representative of the CITY. Until delivery and acceptance, and after any rejection, risk of loss will be on the CONTRACTOR unless loss results from negligence of the CITY. CONTRACTOR will be notified of rejected shipments. Unless agreed otherwise, items will be returned freight collect.

Sec. 40. Loss and Damaged Shipments. Risk of loss or damage to items prior to the time of their receipt and acceptance by the CITY is upon the CONTRACTOR. The CITY has no obligation to accept damaged shipments and reserves the right to return at CONTRACTOR's expense damaged merchandise even though the damage was not apparent or discovered until after receipt of the items.

Sec. 41. Late Shipments. Supplier or CONTRACTOR is responsible to notify the CITY department receiving the items and the Senior Buyer of any late or delayed shipments. The CITY reserves the right to cancel all or any part of an order if the shipment is not made as promised.

Sec. 42. Tax Exemption - Federal and State.

- A. The CITY is exempt from Federal Excise and Transportation taxes on purchases under Chapter 32, Internal Revenue Code. The federal tax registration number issued by the St. Louis District Director on November 11, 1974 is No. 43740340K.
- B. The CITY is exempt from payment of Missouri Sales and Use Tax in Accordance with Section 39(10) Article 3, of the Missouri Constitution and Sections 144.040 and 144.615 RSMo 1969 and supplement thereto. A copy of the exemption from Missouri Sales and Use Tax is available upon request.

Sec. 43. Annual Appropriation of Funds.

- A. Multi-year term supply and service contracts and leases and the exercise of options to renew term contracts are subject to annual appropriation of funds by the City Council. Payments made under term contracts and leases are considered items of current expense. Purchase orders are funded when issued, therefore are current expense items and are not subject to any subsequent appropriation of funds.
- B. In the event sufficient funds are not appropriated for the payment of lease payments or anticipated term contract payments required to be paid in the next occurring lease or contract term and if no funds are legally available from other sources, the lease or contract may be terminated at the end of the original term or renewal term and the CITY shall not be obligated to make further payments beyond the then current original or renewal term. The CITY will provide notice of its inability to continue the lease or contract at such time as the Manager of Procurement Services is aware of the nonappropriation of funds; however, failure to notify does not renew the term of lease or contract. If a lease is cancelled, the events of default will occur as described in the lease and/or the section titled TERMINATION FOR DEFAULT. The

CITY has no monetary obligations in event of termination or reduction of a term contract since such contracts represent estimated quantities and are not funded as a contract, but only to the extent of purchase orders issued.

Sec. 44. Non-discrimination in Employment. Contractor shall not discriminate against any employee or candidate for employment on the basis of an individual's race, hair texture or hair style associated with an individual's race, color, sex, religion, national origin, or ancestry, disability, sexual orientation, gender identity, age, or in any other manner prohibited by Chapter 38 of the City Code. Contractor shall not engage in any discrimination as prohibited by Chapter 3 of the City Code.

Sec. 45. Ban the Box in Hiring and Promotion.

(a) Pursuant to Section 38-104, City Code Ordinances, Contractor shall not base a hiring or promotional decision on an applicant's criminal history or sentence related thereto, unless the employer can demonstrate that the employment-related decision was based on all information available including consideration of the frequency, recentness and severity of a criminal record and that the record was reasonably related to the duties and responsibilities of the position.

(b) Notwithstanding subsection (a), Contractor may inquire about an applicant's criminal history after it has been determined that the individual is otherwise qualified for the position, and only after the applicant has been interviewed for the position. Any such inquiry may be made of all applicants who are within the final selection pool of candidates from which a job will be filled.

(c) This provision shall not apply to positions where employers are required to exclude applicants with certain criminal convictions from employment due to local, state or federal law or regulation.

Sec. 46. Title VI of the Civil Rights Act of 1964. Title VI of the Civil Rights Act of 1964 requires that no person in the United States shall, on the grounds of race, color, or national or origin (including limited English proficient individuals), be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The City of Kansas City, Missouri requires compliance with the requirements of Title VI in all of its programs and activities regardless of the funding source.

Contractor shall not discriminate on the grounds of race, color, or national or origin (including limited English proficient individuals).

Sec. 48. Anti-Discrimination Against Israel. If this Contract exceeds \$100,000.00 and Contractor employs at least ten employees, pursuant to Section 34.600, RSMo., by executing this Contract, Contractor certifies it is not currently engaged in and shall not, for the duration of this contract, engage in a boycott of

goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.

Sec. 49. Affirmative Action. If this Contract exceeds \$300,000.00 and Contractor employs fifty (50) or more people, Contractor shall comply with City's Affirmative Action requirements in accordance with the provisions of Chapter 3 of City's Code, the rules and regulations relating to those sections, and any additions or amendments thereto; in executing any Contract subject to said provisions, Contractor warrants that it has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract. Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, national origin or ancestry, disability, sexual orientation, gender identity or age in a manner prohibited by Chapter 3 of City's Code. Contractor shall:

- (a) Execute and submit the City of Kansas City, Missouri CREO Affirmative Action Program Affidavit warranting that the Contractor has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract.
- (b) Submit, in print or electronic format, a copy of Contractor's current certificate of compliance to the City's Civil Rights and Equal Opportunity Department (CREO) prior to receiving the first payment under the Contract, unless a copy has already been submitted to CREO at any point within the previous two (2) calendar years. If, and only if, Contractor does not possess a current certification of compliance, Contractor shall submit, in print or electronic format, a copy of its affirmative action program to CREO prior to receiving the first payment under the Contract, unless a copy has already been submitted to CREO at any point within the previous two (2) calendar years.
- (c) Require any Subcontractor awarded a subcontract exceeding \$300,000.00 to affirm that Subcontractor has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the subcontract.
- (d) Obtain from any Subcontractor awarded a subcontract exceeding \$300,000.00 a copy of the Subcontractor's current certificate of compliance and tender a copy of the same, in print or electronic format, to CREO within thirty (30) days from the date the subcontract is executed. If, and only if, Subcontractor does not possess a current certificate of compliance, Contractor shall obtain a copy of the Subcontractor's affirmative action program and tender a copy of the same, in print or electronic format, to CREO within thirty (30) days from the date the subcontract is executed.

City has the right to take action as directed by City's Civil Rights and Equal Opportunity Department to enforce this provision. If Contractor fails, refuses or neglects to comply with the provisions of Chapter 3 of City's Code, then such failure shall be deemed a total breach of this Contract and this Contract may be terminated, cancelled or suspended, in whole or in part, and Contractor may be declared ineligible for any further contracts funded by City for a period of one (1) year. This is a material term of this Contract.

Sec. 50. Compliance with Laws. Contractor shall comply with all federal, state and local laws, ordinances and regulations applicable to the work and this Agreement. Contractor shall maintain in effect all the

licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under this Agreement.
