Executive Summary

Setting the rates for the trafficway maintenance tax, the park and boulevard maintenance tax, and the boulevards and parkways front foot assessment at \$0.00 for Fiscal Year 2025-26 in accordance with Section 68-582 of the Code of Ordinances.

Discussion

In 2012, the voters of Kansas City, Missouri approves a park sales tax of $\frac{1}{2}$ cent for the purpose of maintenance and operations of local parks, parkways, boulevards, and community centers. In approving this sales tax, the voters directed the City to cease billing and collecting the trafficway maintenance tax, the park and boulevard maintenance tax, and the boulevards and parkways front foot assessment by setting each assessment at \$0.00.

Each year the Board of Parks and Recreation Commissioners passes a resolution recommending to the City Council that these assessments be set at \$0.00 for the following fiscal year. When levies are set by the City Council as part of its annual Budget deliberations, the City Council will adopt the ordinances that establish the park and boulevard maintenance taxes, trafficway maintenance taxes, and boulevard and parkway front foot assessments at \$0.00.

The Board of Parks and Recreation Commissioners met on January 28, 2025, and approved Resolution No. 32400, recommending these assessments be set at \$0.00 for Fiscal Year 2025-26.
