

Interdepartmental Communication

DATE: April 3, 2026

TO: Chairperson Lucas and Members of the Transportation, Infrastructure and Operations Committee

FROM: Michael Shaw, Director of Public Works

SUBJECT: Traffic Regulations Ordinance

Attached is a listing of TRAFFIC REGULATIONS which the Public Works Department initiated nearly 90 days ago. These regulations have undergone a period of test and evaluation and the Department is now preparing an Ordinance Request to make these regulations permanent. This list includes:

REGULATION	ORIGINATION DATE
Nos. 66632 through 66643	July 15, 2025
Nos. 66644 through 66692	July 29, 2025
Nos. 66693 through 66708	August 11, 2025
Nos. 66709 through 66719	October 8, 2025
Nos. 66720 through 66734	October 28, 2025
Nos. 66735 through 66745	November 18, 2025

These regulations consist of various removals and installations of traffic control devices and signs. A description of the reasons these changes are recommended accompanies each entry on the listing.

In accordance with the Committee request, we are providing you advance information concerning the Ordinance we propose to introduce. Within the next few days this Ordinance Request will be filed with the City Clerk and appear on the Council Docket.

If you wish additional information or have questions or comments about any of the REGULATIONS which we recommend to become permanent, please contact my staff.

Approved
