D. Nothing in this section shall apply to indemnification for professional negligence which is specified in a separate provision of this Agreement.

E. In no event shall the language in this section constitute or be construed as a waiver or limitation of the City's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions or by law.

Sec. 2. Indemnification for Professional Negligence.

Design Professional shall indemnify, and hold harmless City and any of its agencies, officials, officers, or employees from and against all claims, damages, liability, losses, costs, and expenses, including court costs and reasonable attorneys' fees, to the extent caused by any negligent acts, errors, or omissions of the Design Professional, its officers, employees, subconsultants, subcontractors, successors, assigns, invitees and other agents, in the performance of professional services under this Agreement. Sec. 11. Acceptance.

In the event that any provision of this Agreement is found by a court of competent jurisdiction to be unconstitutional or unlawful, the remaining provisions of this Agreement shall be valid unless the court finds that the valid provisions of this Agreement are so essentially and inseparably connected with and so dependent upon the invalid provision(s) that it cannot be presumed that the parties to this Agreement could have included the valid provisions without the invalid provision(s); or unless the

Sec. 15. Records.

If, and only if, Subcontractor does not possess a current certificate of compliance, Design Professional shall obtain a copy of the Subcontractor's affirmative action program and tender a copy of the same, in print or electronic format, to HRD within thirty (30) days from the date the subcontract is executed.

City has the right to take action as directed by City's Human Relations Department to enforce this provision. If Design Professional fails, refuses or neglects to comply with the provisions of Chapter 3 of City's Code, then such failure shall be deemed a total breach of this Contract and this Contract may be terminated, canceled or suspended, in whole or in part, and Design Professional may be declared ineligible for any further contracts funded by City for a period of one (1) year. This is a material term of this Contract.

Sec. 17. Tax Compliance.

Design Professional shall provide proof of compliance with the City's tax ordinances administered by the City's commissioner of revenue as a precondition to the City making the first payment under this Agreement or any Agreement renewal when the total Agreement amount exceeds \$160,000.00. This provision shall not prohibit Design Professional from subcontracting as otherwise provided for herein.

(b) Subcontracting. Design Professional shall not subcontract any part or all of Design Professional's obligations or interests in this

Contract unless the subcontractor has been identified in a format required by City. If Design Professional shall subcontract any part of Design Professional's obligations or interests under this Contract without having identified the subcontractor, it shall constitute a material breach of this Contract. The utilization of subcontractors shall not relieve Design Professional of any of its responsibilities under the Contract, and Design Professional shall remain responsible to City for the negligent acts, errors, omissions or neglect of any subcontractor and of such subcontractor's officers, agents and employees. City shall have the right to reject, at any point during the term of this Contract, any subcontractor identified by Design Professional, and to require that any subcontractor cease working under this Contract. City's right shall be exercisable in its sole and subjective discretion. City shall not be obligated to pay or be liable for payment of any monies which may be due to any subcontractor. Design Professional shall include in any subcontract a requirement that the subcontractor comply with all requirements of this Contract in performing Design Professional's services hereunder.

Design Professional may obtain additional information about E-Verify and enroll at www.dhs.gov/xprevprot/program/gc_1185221678150.shtm . For those Design Professionals enrolled in E-Verify, the first and last pages of the E-Verify Memorandum of Understanding that Design Professional will obtain upon successfully enrolling in the program shall constitute sufficient documentation for

purposes of complying with this Section. Design Professional shall submit affidavit and attachments to City prior to execution of the contract, or at any point during the term of the Contract if requested by City.

THE E-VERIFY
MEMORANDUM OF UNDERSTANDING
FOR EMPLOYERS USING AN E-VERIFY EMPLOYER AGENT

ARTICLE I
PURPOSE AND AUTHORITY

The parties to this agreement are the Department of Homeland Security (DHS), the Odimo, LLC (Employer), and the E-Verify Employer Agent. The purpose of this agreement is to set forth terms and conditions which the Employer and the E-Verify Employer Agent will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the E-Verify Employer Agent, the Social Security Administration (SSA), and DHS.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. Section 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

ARTICLE II
RESPONSIBILITIES

A. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the following notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system:
 - A. Notice of E-Verify Participation
 - B. Notice of Right to Work
2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted about E-Verify. The Employer also agrees to keep such information current by providing updated information to SSA and DHS whenever the representatives' contact information changes.
3. The Employer shall become familiar with and comply with the most recent version of the E-Verify User Manual. The Employer will obtain the E-Verify User Manual from the E-Verify Employer Agent.
4. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:
 - A. If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 1-888-464-4218.
 - B. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete I-Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. DHS may in the future designate other documents that activate the photo screening tool.

Note: Subject only to the exceptions noted previously in this paragraph, employees still retain the right to present any List A, or List B and List C, document(s) to complete the Form I-9.

5. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

The parties to this agreement are the Department of Homeland Security (DHS), the Odimo, LLC (Employer), and the E-Verify Employer Agent. The purpose of this agreement is to set forth terms and conditions which the Employer and the E-Verify Employer Agent will follow while participating in E-Verify.

E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of Form I-9, Employment Eligibility Verification (Form I-9). This Memorandum of Understanding (MOU) explains certain features of the E-Verify program and describes specific responsibilities of the Employer, the E-Verify Employer Agent, the Social Security Administration (SSA), and DHS.

L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. Section 1324a note). The Federal Acquisition Regulation (FAR) Subpart 22.18, "Employment Eligibility Verification" and Executive Order 12989, as amended, provide authority for Federal contractors and subcontractors (Federal contractor) to use E-Verify to verify the employment eligibility of certain employees working on Federal contracts.

(List B documents identified in 8 C.F.R. 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 1-888-464-4218.
 - B. If an employee presents a DHS Form I-551 (Permanent Resident Card), Form I-766 (Employment Authorization Document), or U.S. Passport or Passport Card to complete I-Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The Employer will use the photocopy to verify the photo and to assist DHS with its review of photo mismatches that employees contest. Preface

Odimo is a Missouri based company. The management of Human Resources has prepared this written Affirmative Action Plan ("AAP") on a strictly voluntary basis. The terminology used should not be construed as an admission by Human Resources Manager in whole or in part that it has violated in the past or is now violating any federal, state or local fair employment practice law or ordinance.

In developing and implementing this AAP, Odimo has been guided by its established policy of providing equal employment opportunity. Any goals which Odimo will establish will not be intended as rigid, inflexible quotas that must be met, but rather as targets reasonably attainable by applying every good faith effort in implementing this AAP. The use of goals and timetables will not be intended, nor will the effect of such goals and timetables be intended, to discriminate against an individual or group of individuals with respect to any employment opportunity for which he, she, or they are qualified.

Equal Employment Opportunity/Affirmative Action Policy Statement

It is the employment policy and practice of Odimo to recruit and to hire employees regardless of race, color, creed, national origin, sex, handicap, sexual orientation or because such applicant is forty (40) years of age or older, and to treat all employees equally with respect to compensation; opportunities for advancement, including upgrading, promotion and transfer, and all other terms and conditions of employment.

In furtherance of these policies and practices, Odimo has designed and agreed to implement an Affirmative Action Program in accordance with the provisions of Civil Rights Ordinance, Code of General Ordinances, City of Kansas City, Missouri.

Odimo has agreed to assert leadership within the community and to put forth the maximum effort to achieve full employment plus the utilization and development of the capabilities and productivity of all citizens.

Odimo further recognizes that the effective application of a policy of merit employment involves more than just a policy statement and will, therefore, implement this Affirmative Action Program in a positive and aggressive manner and will make known its commitment to this effort and that equal opportunities are available within this community on the basis of individual merit. Odimo will solicit and encourage all persons to seek opportunities within this company, and to take advancement possibilities.

I. Implementing EEO/AA Policy Statement

At this time, Odimo does not plan to hire any employees who would be responsible for implementing the Policy Statement. If Odimo does at some future time hire an employee or employees, Odimo will require the implementation of the EEO/AA Policy and the EEO policy will be disseminated to the employees in the following manner:

All necessary steps will be taken to assure that Odimo's personnel, management and other appropriate individuals are fully apprised of Odimo's EEO Policy and the existence of this AAP. To ensure that new employees are apprised of Odimo's equal employment opportunity policy, that policy will be discussed in employee orientation and management training programs.

This EEO policy will be disseminated internally in the following manner:

1. The EEO policy will be included in the Employee Handbook and in any manuals for managers and supervisors. Copies of the Employee Handbook will be distributed to all current employees and to new employees when they are hired whether the employees are full time, part time or temporary.
2. The policy statement will be permanently and conspicuously displayed in areas such as employee bulletin boards and lunch areas and shall be in both English and Spanish. The statement will also be printed in company newsletters and other publications or printed materials when appropriate.
3. During orientation meetings scheduled for new employees, this policy will be discussed, and the concept of individual employee responsibility will be explained.
4. Odimo's EEO policy will be discussed in management and supervisory training programs. Special meetings will be conducted with executive, managerial and supervisory employees for the purpose of reemphasizing and explaining both the intent of the policy and individual responsibility for its effective implementation. At such meeting the President's commitment to the policy will be clearly expressed.

II. Recruitment of Employees

When Odimo solicits positions for employment and/or employees, we will notify protected class recruitment sources to publicize the openings. A list of women and minority recruitment sources is included in Section VIII. We will allow sufficient time after the notification to generate adequate numbers of protected class applicants.

III. Internal Audit and Reporting Requirements

Odimo will develop an internal audit and reporting system. Through this system, progress can be monitored, and management kept continuously informed.

V. Employment Records

- A. If requested, Odimo will prepare and submit to the Director of Human Resources a summary of our Affirmative Action Plan progress for the last twelve (12) months.
- B. Odimo will complete and submit to the Human Resources Department (Lever1) a breakdown of its workforce.

VI. Recruitment Advertising
