ADDITIONAL BUSINESS

1. Public Works Department will give an update regarding implementation of new parking signs.
2. Aviation Department will give a presentation regarding demolition of old terminals Demolition at KCI Demo B and C.
- .
3. There may be a general discussion regarding current Transportation, Infrastructure and Operations Committee issues.
4. Closed Session
 - Pursuant to Section 610.021 subsection 1 of the Revised Statutes of Missouri to discuss legal matters, litigation, or privileged communications with attorneys;
 - Pursuant to Section 610.021 subsection 2 of the Revised Statutes of Missouri to discuss real estate;
 - Pursuant to Section 610.021 subsections 3 and 13 of the Revised Statutes of Missouri to discuss personnel matters;
 - Pursuant to Section 610.021 subsection 9 of the Revised Statutes of Missouri to discuss employee labor negotiations;
 - Pursuant to Section 610.021 subsection 11 of the Revised Statutes of Missouri to discuss specifications for competitive bidding;
 - Pursuant to Section 610.021 subsection 12 of the Revised Statutes of Missouri to discuss sealed bids or proposals; or
 - Pursuant to Section 610.021 subsection 17 of the Revised Statutes of Missouri to discuss confidential or privileged communications with auditors.
5. Those who wish to comment on proposed ordinances can email written testimony to public.testimony@kcmo.org. Comments received will be distributed to the committee and added to the public record by the clerk.

The city provides several ways for residents to watch City Council meetings:

- Livestream on the city's website at www.kcmo.gov
- Livestream on the city's YouTube channel at <https://www.youtube.com/watch?v=3hOublg4fok>
- Watch Channel 2 on your cable system. The channel is available through Time Warner Cable (channel 2 or 98.2), AT&T U-verse (channel 99 then select Kansas City) and Google Fiber on Channel 142.
- To watch archived meetings, visit the City Clerk's website and look in the Video on Demand section: http://kansascity.granicus.com/ViewPublisher.php?view_id=2

The City Clerk's Office now has equipment for the hearing impaired for use with every meeting. To check out the equipment please see the secretary for each committee. Be prepared to leave your Driver's License or State issued Identification Card with the secretary and she will give you the equipment. Upon returning the equipment your license will be returned.

ORDINANCE NO. 230905

Sponsor: Director of Water Services Department

Authorizing a \$3,537,460.00 construction contract with Kissick Construction Company, Inc., for the Relief Sewer: Hardesty Ave and 31st St project; authorizing a maximum expenditure of \$3,900,000.00; authorizing a \$645,000.00 design professional services Amendment No. 1 to Contract 1506 with Lamp Rynearson, Inc., for Relief Sewer: Hardesty Ave and 31st St project for a total contract amount of \$1,185,000.00; and recognizing this ordinance as having an accelerated effective date.

WHEREAS, City Council passed Ordinance No. 190672 on August 29, 2019, authorizing a \$540,000 design professional services Contract Number 1506 with Lamp Rynearson, Inc. for conceptual, preliminary, and final design of the Relief Sewer: Hardesty and 31st Street project; and

WHEREAS, this proposed ordinance is for authorization of a construction project and design professional services amendment for the Relief Sewer: Hardesty and 31st Street project; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the Director of the Water Services Department is authorized to execute Contract No. 1525 in the amount of \$3,537,460.00 with Kissick Construction Company, Inc., for the Relief Sewer: Hardesty Ave and 31st St project, Project No. 81000837. A copy of the contract is on file in the office of Water Services.

Section 2. That the Director of Water Services Department is authorized a maximum expenditure of \$3,900,000.00 from Account No. AL-8193-807769-611060-81000837, Overflow Control Program, to satisfy the cost of this contract.

Section 3. That the Director of Water Services Department is authorized to execute Design Professional Services Amendment, No. 1 to Contract No. 1506 in the amount of \$645,000.00, for a total contract amount of \$1,185,000.00, with Lamp Rynearson, Inc., for the Relief Sewer: Hardesty Ave and 31st St project, Project No. 81000837, A copy of the contract is on file in the office of Water Services.

Section 4. That the Director of Water Services Department is authorized a maximum expenditure of \$1,185,000.00 from Account No. AL-8193-807769-611040-81000837, Overflow Control Program, to satisfy the cost of this Amendment.

Section 5. That this ordinance, relating to the design, repair, maintenance or construction of a public improvement, is recognized as an ordinance with an accelerated effective date as provided by Section 503(a)(3)(D) of the City Charter and shall take effect in accordance with Section 503, City Charter.

..end

I hereby certify that there is a balance, otherwise unencumbered, to the credit of the appropriation to which the foregoing expenditure is to be charged, and a cash balance, otherwise unencumbered, in the treasury, to the credit of the fund from which payment is to be made, each sufficient to meet the obligation hereby incurred.

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1.](#)

Executive Summary

Authorizing a \$3,537,460.00 Construction contract with Kissick construction Company, Inc., for the Relief Sewer: Hardesty Ave and 31st St project; authorizing a maximum expenditure of \$3,900,000.00; authorizing a \$645,000.00 design professional services Amendment No. 1 to Contract 1506 with Lamp Rynearson, Inc. for Relief Sewer: Hardesty Ave and 31st St Project for a total contract amount of \$1,185,000.00; and recognizing this ordinance as having an accelerated effective date.

Discussion

Reason for Contract

In 2010, the City of Kansas City, Missouri entered into a Consent Decree with the United States Environmental Protection Agency (EPA) to reduce the volume and frequency of overflows from the City's sewer system. The City's Smart Sewer Program is currently in year 13 of a 25-year implementation period. The purpose of this project is to provide additional conveyance capacity from combined sewage to the Blue River Interceptor Sewer that will reduce combined sewer overflows at Outfall 039 in the Lower Blue River Basin.

Construction Contract Description

The scope of work to be provided under the construction contract includes 2,977 linear feet (LF) of new sanitary sewer ranging in diameter from 30-inches to 48-inches near Stadium Drive and US Hwy 40. The amount of the proposed construction contract is \$3,537,460.00 plus a contingency amount of \$362,540.00 for a total of \$3,900,000.00.

The term of this project will be 370 calendar days.

Solicitation

The Relief Sewer: Hardesty Ave and 31st Street was advertised in accordance with the City's requirements on August 25, 2023, and bids were opened on September 19, 2023, with five (5) bidders responding.

Awardee/Subcontracting Participation

Kissick Construction Company, Inc. submitted the lowest, responsible, and responsive bid of \$3,537,460.00, with subcontracting participation of 10% MBE and 10% WBE.

Other Bidders/Subcontracting Participation

Infrastructure Solutions, LLC was the next lowest bidder on this project. They submitted a bid in the amount of \$4,708,000.00, with subcontracting participation of 10% MBE and 10% WBE.

Estimated Opinion of Probable Construction Costs

The Engineer’s Opinion of Probable Construction Cost was \$8,312,000.00.

Design Professional Services Contract Amendment Description

Proposed Amendment No. 1 to Design Professional Services Contract Number 1506 in the amount of \$645,000.00, for a total contract amount of \$1,185,000.00 will provide for construction phase services including project management and administration services, construction office and field support services, and resident project representative services.

Fiscal Impact

1. Is this legislation included in the adopted budget? Yes No

2. What is the funding source?
 AL-8193-807769-611060-81000837 = \$3,900,000.00
 AL-8193-807769-611040-81000837 = \$645,000.00
 Overflow Control Program

3. How does the legislation affect the current fiscal year?
 Work on this project will begin in the current fiscal year and extend into FY25. Invoices will be submitted by the Contractor and Design Professional on a monthly basis after construction begins.

4. Does the legislation have a fiscal impact in future fiscal years? Please notate the difference between one-time and recurring costs.
 Funds encumbered in the current fiscal year will be disbursed over subsequent fiscal years as construction proceeds. Work on the project is anticipated to be complete within 370 calendar days from when work begins.

5. Does the legislation generate revenue, leverage outside funding, or deliver a return on investment?
 No

Office of Management and Budget Review
(OMB Staff will complete this section.)

- 1. This legislation is supported by the general fund. Yes No
- 2. This fund has a structural imbalance. Yes No
- 3. Account string has been verified/confirmed. Yes No

Additional Discussion (if needed)

Citywide Business Plan (CWBP) Impact

- 1. View the [FY23 Citywide Business Plan](#)
- 2. Which CWBP goal is most impacted by this legislation?
Infrastructure and Accessibility (Press tab after selecting.)
- 3. Which objectives are impacted by this legislation (select all that apply):
 - Enhance the accessible, sustainable and better connected multi-modal transportation system
 - Develop environmentally sound and sustainable infrastructure strategies that improve quality of life and foster economic growth
 - Increase and support local workforce development and minority, women, and locally-owned businesses
 - Engage in efforts to strategically invest in the City's infrastructure and explore emerging technologies

Prior Legislation

City Council passed Ordinance No. 190672 on August 29, 2019, authorizing a \$540,000 design professional services Contract Number 1506 with Lamp Rynearson, Inc. for conceptual, preliminary, and final design of the Relief Sewer: Hardesty and 31st Street project.

Service Level Impacts

This project will provide additional conveyance capacity from combined sewage to the Blue River Interceptor Sewer that will reduce combined sewer overflows at Outfall 039 in the Lower Blue River Basin.

Other Impacts

1. What will be the potential health impacts to any affected groups?
The project will contribute to health impacts by reducing the volume and frequency of combined sewer overflows and increasing the water quality of the City's waterways.
2. How have those groups been engaged and involved in the development of this ordinance?
This project area is in a heavily industrial and commercial area. Affected businesses were engaged during the design phase and during the land acquisition phase to share information and discuss project impacts.
3. How does this legislation contribute to a sustainable Kansas City?
This project helps promote environmental quality, social equity, and economic vitality.
4. Department staff certifies the submission of any applicable Affirmative Action Plans or Certificates of Compliance, Contractor Utilization Plans (CUPs), Non-Discrimination documents, and Letters of Intent to Subcontract (LOIs) to CREO prior to the legislation entry request in Legistar.

Yes - I have submitted documents for CREO Review

The Contractor Utilization Plan was submitted to CREO KC for review on October 3, 2023, and is pending approval.

Yes. Subcontracting goals on the design professional services project will remain unchanged at 15% MBE and 10% WBE with this amendment.

5. Does this legislation seek to approve a contract resulting from an Invitation for Bid?

Yes Attached.

Attach the bid tabulation form.

6. Does this legislation seek to approve a contract resulting from a Request for Proposal/Qualification (RFP/Q)?

No

ORDINANCE NO. 230878

Sponsor: Director of Water Services Department

Authorizing a \$5,600,000.00 construction contract with Goodwin Bros. Construction Co., for the Buckeye Creek Pump Station Screening and Instrumentation and Controls (I&C); authorizing a maximum expenditure of \$6,160,000.00; authorizing a \$699,037.00 design professional services contract Amendment No. 5 with Black & Veatch Corporation for the Buckeye Creek Pump Station Rehabilitation; and authorizing an extension of the term of Contract No. 1137 for an additional 455 days for a total term of 3,597 days (approximately 9.86 years) for a total contract amount of \$4,407,450.00.

WHEREAS, City Council passed Ordinance No. 141046 on March 14, 2014, authorizing a \$244,000.00 design professional services contract with Black & Veatch Corporation for the Buckeye Creek Pump Station Rehabilitation project; and

WHEREAS, the City executed a \$1,019,655.00 Amendment No. 1 on December 21, 2017, adding scope of services and fees for the Buckeye Creek Pump Station Rehabilitation project; and

WHEREAS, City Council passed Ordinance No. 190414 on June 2, 2019, authorizing a \$1,318,858.00 Amendment No. 2 (which was executed by the City on August 19, 2019, adding additional scope of services and fees) to the design professional services contract with Black & Veatch Corporation for the Buckeye Creek Pump Station Rehabilitation project; and

WHEREAS, City Council passed Ordinance No. 210199 on April 4, 2021, authorizing an \$880,900.00 Amendment No. 3 (which was executed by the City on June 15, 2021, adding additional scope of services and fees) to the design professional services contract with Black & Veatch Corporation for the Buckeye Creek Pump Station Rehabilitation project; and

WHEREAS, the City executed a \$245,000.00 Amendment No. 4 on September 18, 2022, adding additional scope of services and fees for the Buckeye Creek Pump Station Rehabilitation project; and

WHEREAS, this ordinance is for a \$699,037.00 Amendment No. 5 for construction phase services and a time extension beyond the six years allotted by the City's Code of Ordinance for the Buckeye Creek Pump Station Rehabilitation project; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the Director of the Water Services Department is authorized to execute Contract No. 1693 in the amount of \$5,600,000.00 with Goodwin Bros. Construction Co., for the Buckeye Creek Pump Station Screening and I&C project, Project No. 81000727. A copy of the contract is on file in the office of Water Services.

Section 2. That the Director of the Water Services Department is authorized a maximum expenditure of \$6,160,000.00 from Account No. AL-8193-807777-611060-81000727, Sewer Pump Stations, to satisfy the cost of this contract.

Section 3. That the Director of Water Services Department is authorized to execute Amendment No. 5 to Contract No. 1137 in the amount of \$699,037.00, for a total contract amount of \$4,407,450.00, with Black & Veatch Corporation, for the Buckeye Creek Pump Station Rehabilitation project, Project No. 81000727. A copy of this amendment is on file in the office of Water Services.

Section 4. That the Director of the Water Services Department is authorized a maximum expenditure of \$699,037.00 from Account No. 24-8110-807777-611040-81000727, Sewer Pump Stations, to satisfy the cost of this amendment.

Section 5. That the Director of Water Services is authorized to extend the term of Contract No. 1137, with Black & Veatch Corporation, for an additional 455 days for a total term of 3,597 days (approximately 9.86 years) for a total contract amount of \$4,407,450.00.

..end

I hereby certify that there is a balance, otherwise unencumbered, to the credit of the appropriation to which the foregoing expenditure is to be charged, and a cash balance, otherwise unencumbered, in the treasury, to the credit of the fund from which payment is to be made, each sufficient to meet the obligation hereby incurred.

Docket Memo

Ordinance/Resolution #: 230878 Committee Substitute

Submitted Department/Preparer: Water

Revised 8/3/23

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Authorizing a \$5,600,000.00 construction contract with Goodwin Bros. Construction Co., for the Buckeye Creek Pump Station Screening and Instrumentation and Controls (I&C); and authorizing a maximum expenditure of \$6,160,000.00.

Discussion

Project Justification

The Buckeye Creek Pump Station, located at 5201 Birmingham Road, Kansas City, Clay County, Missouri is a facility approximately 50 years old and is in need of rehabilitation. Currently, large grit and debris flows directly in to the pump station, which reduces the service life of the equipment. Additionally, the wet well at the facility is currently a permitted confined space; as a result of this project, the wet well will be enclosed with no entry point, thus removing the potentially hazardous environment for City staff to enter. The electrical switchgear and pump station instrumentation is old and in need of replacement.

The pump station takes gravity flow from Kansas City North (north of the Missouri River), biosolids from the City's northern treatment plants, and flow from the City of North Kansas City.

Project Description

This project includes the construction of screening and instrumentation and controls improvements at the Buckeye Creek Pump Station to install a suspended slab and prefabricated building over the wet well to house a mechanically cleaned bar screen, screwless conveyor and dumpster. Isolation to the screening influent channel is achieved through two new electric-actuated isolation slide gates. Modifications in the dry pit of the existing pump station consists of two manual isolation knife gates with electric - actuated knife gates and a magnetic flow meter on the header pipe.

The amount of the construction contract will be \$5,600,000.00.

The term of this contract is 365 calendar days.

Solicitation

This project was advertised in accordance with the City's requirements. Public bids were opened on August 22, 2023 with 3 bidders responding.

MBE/WBE Goals

CREO KC established goals of 11% MBE and 11% WBE on the construction project on January 4, 2023, as part of the CREO KC Annual Goal Program, which is for the period of June 2022 through June 2023.

There are Affirmative Action Program requirements in this contract.

Fiscal Impact

1. Is this legislation included in the adopted budget? Yes No
2. What is the funding source?
AL-8193-807777-611060-81000727 = \$6,160,000.00
Sewer Pump Stations
3. How does the legislation affect the current fiscal year?
This project was included in the 2024 CIP.
4. Does the legislation have a fiscal impact in future fiscal years? Please notate the difference between one-time and recurring costs.
No.
5. Does the legislation generate revenue, leverage outside funding, or deliver a return on investment?
No.

 -
 -

Prior Legislation

City Council passed Ordinance No. 141046 on December 18, 2014 authorizing a \$244,000.00 contract Design Professional Services contract with Black & Veatch Corporation with a maximum obligation of \$1,600,000.00 to provide a condition assessment, evaluation, screening for rehabilitation or replacement alternatives with estimated costs, inspection plan, and limited geotechnical and topographical surveys was performed.

City Council passed Ordinance No. 190414 on May 23, 2019 authorizing the construction project and Amendment No. 2 in the amount of \$1,318,858.00 for construction phase services for the Buckeye Creek Force Main project and design phase services for the pump station rehabilitation. The proposed Amendment No. 3 will include additional construction phase services (CPS) for the force main installation and bar screen design activities.

City Council passed Ordinance No. 210199 on March 25, 2021 authorizing Amendment No. 3 in the amount of \$880,900.00 for additional construction phase services (CPS) for the force main installation and bar screen design activities.

Service Level Impacts

This project will increase the service reliability of the Buckeye Creek Pump Station by removing large grit and debris, which will extend the life of the equipment, and by upgrading the instrumentations and controls within the Pump Station.

Other Impacts

1. What will be the potential health impacts to any affected groups?
The wet well at the facility is currently a permitted confined space; as a result of this project, the wet well will be enclosed with no entry point, thus removing the potentially hazardous environment for City staff to enter.
2. How have those groups been engaged and involved in the development of this ordinance?
N/A
3. How does this legislation contribute to a sustainable Kansas City?
This project will reduce operating costs by replacing inefficient motors and pumps as well as replace equipment that is not functioning to increase operational efficiencies.
4. Department staff certifies the submission of any applicable Affirmative Action Plans or Certificates of Compliance, Contractor Utilization Plans (CUPs), Non-Discrimination documents, and Letters of Intent to Subcontract (LOIs) to CREO prior to the legislation entry request in Legistar.

Yes - I have submitted documents for CREO Review (Press tab after selecting)
Please attach or copy and paste CREO's review.
The Contractor Utilization Plan was submitted to CREO KC for the construction project on September 12, 2023, and was approved on September 21, 2023 with 12% MBE and 12% WBE participation.
5. Does this legislation seek to approve a contract resulting from an Invitation for Bid?

Yes(Press tab after selecting)

Attach the bid tabulation form.

6. Does this legislation seek to approve a contract resulting from a Request for Proposal/Qualification (RFP/Q)?

Civil Rights and Equal Opportunity Department Civil Rights and Wage Assurances

Non-discrimination in Employment. Contractor shall not discriminate against any employee or candidate for employment on the basis of an individual's race, hair texture or hair style associated with an individual's race, color, sex, religion, national origin, or ancestry, disability, sexual orientation, gender identity, age, or in any other manner prohibited by Chapter 38 of the City Code. Contractor shall not engage in any discrimination as prohibited by Chapter 3 of the City Code.

Ban the Box in Hiring and Promotion.

(a) Pursuant to Section 38-104, City Code Ordinances, Contractor shall not base a hiring or promotional decision on an applicant's criminal history or sentence related thereto, unless the employer can demonstrate that the employment-related decision was based on all information available including consideration of the frequency, recentness and severity of a criminal record and that the record was reasonably related to the duties and responsibilities of the position.

(b) Notwithstanding subsection (a), Contractor may inquire about an applicant's criminal history after it has been determined that the individual is otherwise qualified for the position, and only after the applicant has been interviewed for the position. Any such inquiry may be made of all applicants who are within the final selection pool of candidates from which a job will be filled.

(c) This provision shall not apply to positions where employers are required to exclude applicants with certain criminal convictions from employment due to local, state or federal law or regulation.

Title VI of the Civil Rights Act of 1964. Title VI of the Civil Rights Act of 1964 requires that no person in the United States shall, on the grounds of race, color, or national or origin (including limited English proficient individuals), be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The City of Kansas City, Missouri requires compliance with the requirements of Title VI in all of its programs and activities regardless of the funding source.

Contractor shall not discriminate on the grounds of race, color, or national or origin (including limited English proficient individuals).

Quality Services Assurance Act. If this Contract exceeds \$160,000.00, Contractor certifies Contractor will pay all employees who will work on this Contract in the city limits of Kansas City, Missouri at least \$15.00 per hour in compliance with the City's Quality Services Assurance Act,

CREO Form 3
Rev. 3.22.2023

Civil Rights and Equal Opportunity Department Civil Rights and Wage Assurances

Section 3-66, Code of Ordinances or City has granted Contractor an exemption pursuant to the Quality Services Assurance Act.

Anti-Discrimination Against Israel. If this Contract exceeds \$100,000.00 and Contractor employs at least ten employees, pursuant to Section 34.600, RSMo., by executing this Contract, Contractor certifies it is not currently engaged in and shall not, for the duration of this contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.

Affirmative Action. If this Contract exceeds \$300,000.00 and Contractor employs fifty (50) or more people, Contractor shall comply with City's Affirmative Action requirements in accordance with the provisions of Chapter 3 of City's Code, the rules and regulations relating to those sections, and any additions or amendments thereto; in executing any Contract subject to said provisions, Contractor warrants that it has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract. Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, national origin or ancestry, disability, sexual orientation, gender identity or age in a manner prohibited by Chapter 3 of City's Code. Contractor shall:

- (a) Execute and submit the City of Kansas City, Missouri CREO Affirmative Action Program Affidavit warranting that the Contractor has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract.
- (b) Submit, in print or electronic format, a copy of Contractor's current certificate of compliance to the City's Civil Rights and Equal Opportunity Department (CREO) prior to receiving the first payment under the Contract, unless a copy has already been submitted to CREO at any point within the previous two (2) calendar years. If, and only if, Contractor does not possess a current certification of compliance, Contractor shall submit, in print or electronic format, a copy of its affirmative action program to CREO prior to receiving the first payment under the Contract, unless a copy has already been submitted to CREO at any point within the previous two (2) calendar years.
- (c) Require any Subcontractor awarded a subcontract exceeding \$300,000.00 to affirm that Subcontractor has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the subcontract.
- (d) Obtain from any Subcontractor awarded a subcontract exceeding \$300,000.00 a copy of the Subcontractor's current certificate of compliance and tender a copy of the same, in print or

CREO Form 3
Rev. 3.22.2023

Civil Rights and Equal Opportunity Department Civil Rights and Wage Assurances

electronic format, to CREO within thirty (30) days from the date the subcontract is executed. If, and only if, Subcontractor does not possess a current certificate of compliance, Contractor shall obtain a copy of the Subcontractor's affirmative action program and tender a copy of the same, in print or electronic format, to CREO within thirty (30) days from the date the subcontract is executed.

City has the right to take action as directed by City's Civil Rights and Equal Opportunity Department to enforce this provision. If Contractor fails, refuses or neglects to comply with the provisions of Chapter 3 of City's Code, then such failure shall be deemed a total breach of this Contract and this Contract may be terminated, cancelled or suspended, in whole or in part, and Contractor may be declared ineligible for any further contracts funded by City for a period of one (1) year. This is a material term of this Contract.

Compliance with Laws. Contractor shall comply with all federal, state and local laws, ordinances and regulations applicable to the work and this Agreement. Contractor shall maintain in effect all the licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under this Agreement.

Prevailing Wage. If the Agreement exceeds \$75,000.00 and any of the Services performed by Contractor includes construction, reconstruction, improvement, enlargement, alteration, painting and decorating, or major repair, that is subject to the Missouri Prevailing Wage Law (Section 290.210, RSMo – 290.340, RSMo), Contractor shall immediately notify the City prior to performing Services so the parties can execute an agreement that incorporates, the appropriate Wage Order. Contractor shall comply with all requirements of Section 290.210, RSMo – 290.340, RSMo even if Contractor fails to notify the City.

I, _____, of lawful age and upon my oath state as follows:

1. This Affidavit is made for the purpose of complying with the provisions of the MBE/WBE submittal requirements on the above project and the MBE/WBE Program and is given on behalf of the Bidder/Proposer listed below. It sets out the Bidder/Proposer's plan to utilize MBE and/or WBE contractors on the project.
2. The project target goals are _____% MBE and _____% WBE.
3. Bidder/Proposer assures that it will utilize a minimum of the following percentages of MBE/WBE participation in the above project:

BIDDER/PROPOSER PARTICIPATION: _____% MBE _____% WBE

POST-BID/POST-RFP ESTIMATED BUDGET: \$ 5,600,000

4. The following are the M/WBE subcontractors whose utilization Bidder/Proposer warrants will meet or exceed the above-listed Bidder/Proposer Participation. Bidder/Proposer warrants that it will utilize the M/WBE subcontractors to provide the goods/services described in the applicable Letter(s) of Intent to Subcontract, copies of which shall collectively be deemed incorporated herein. (*All firms must currently be certified by Kansas City, Missouri*)

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
TOTAL WBE \$ / TOTAL WBE %:		\$ _____	_____ %	

*“Subcontract Amount” refers to the dollar amount that Bidder/Proposer has agreed to pay each M/WBE subcontractor as of the date of contracting and is indicated here solely for the purpose of calculating the percentage that this sum represents in proportion to the total contract amount. Any contract amendments and/or change orders changing the total contract amount may alter the amount due an M/WBE under their subcontract for purposes of meeting or exceeding the Bidder/Proposer participation.

**“Weighted Value” means the portion of the subcontract amount that will be credited towards meeting the Bidder/Proposer participation. See CREO KC Forms and Instructions for allowable credit and special instructions for suppliers.

- Bidder/Proposer acknowledges that the monetary amount to be paid each listed M/WBE for their work, and which is approved herein, is an amount corresponding to the percentage of the total contract amount allocable to each listed M/WBE as calculated in the MBE/WBE Breakdown Sheet. Bidder/Proposer further acknowledges that this amount may be higher than the subcontract amount listed therein as change orders and/or amendments changing the total contract amount may correspondingly increase the amount of compensation due an M/WBE for purposes of meeting or exceeding the Bidder/Proposer participation

6. Bidder/Proposer acknowledges that it is responsible for considering the effect that any change orders and/or amendments changing the total contract amount may have on its ability to meet or exceed the Bidder/Proposer participation. Bidder/Proposer further acknowledges that it is responsible for submitting a Request for Modification or Substitution if it will be unable to meet or exceed the Bidder/Proposer participation set forth herein.
7. If Bidder/Proposer has not achieved both the M/WBE goal(s) set for this Project, Bidder/Proposer hereby requests a waiver of the MBE and/or WBE goal(s) that Bidder/Proposer has failed to achieve
8. Bidder/Proposer will present documentation of its good faith efforts, a narrative summary detailing its efforts and the reasons its efforts were unsuccessful when requested by the City.
9. I hereby certify that I am authorized to make this Affidavit on behalf of the Bidder/Proposer named below and who shall abide by the terms set forth herein:

behalf of the business entity in making this affidavit.

I hereby swear or affirm that [*enter business entity name*] has an affirmative action
program (the “Program”) in place and will maintain the Program for the duration of its contract
with the City of Kansas City, Missouri (“City”) as required by Chapter 3 of the City’s Code of
Ordinances.

I hereby additionally swear or affirm that attached hereto is a true copy of the Program.

I hereby additionally swear or affirm that the business entity shall not discriminate
against any employee or applicant for employment because of race, color, sex, religion, national
origin or ancestry, disability, sexual orientation, gender identity or age in a manner prohibited by
Chapter 3 of the City’s Code of Ordinances.

I acknowledge that I am signing this affidavit as the free act and deed of the business
entity and that I am not doing so under duress.

AFFIDAVIT OF TRAINING PROGRAM

This form must be submitted with 48 hours of Bid Opening

Bidder Goodwin Bros Construction Co

Project Title and Number Buckeye Creek Pump Station Screening and I&C Improvement Project / 81000727

STATE OF MISSOURI)
) ss:
COUNTY OF Platte)

After being duly sworn the person whose name and signature appears below hereby states under penalty of perjury that:

1. I am the duly authorized officer of the business indicated above ("Bidder") and I make this affidavit on behalf of Bidder.
2. Bidder certifies that it presently participates in a training program that facilitates entry into the construction industry and which may include an on-the-job or in-house training program, further described as follows:

(attach additional pages, if necessary)

3. If requested by the City, Bidder agrees to provide City further documentation of, or other information about, this training program within 48 hours of the request.
4. Bidder acknowledges that failure to submit this form to the City within 48 hours of the Bid Opening will automatically render its bid non-responsive.

I am authorized to make this Affidavit on behalf of the Bidder named below as:

Vice President of Goodwin Bros Construction Co
(Title) (Name of Bidder)

Dated: 8/22/2023 By: [Signature]

Instructions:

- 1) Each applicable Prime Contractors **must complete this form for its company within 48 hours of bid opening**
- 2) The Civil Rights & Equal Opportunity Department strongly recommends usage of the electronic version of this form. This form may be obtained by visiting www.kcmo.gov website. The website is enabled with a "search" function on the Home page on the right corner. Select the magnifying glass and type in the search field "Contract Central". Select the first result, then click on the link to Standard City Contract Forms. Scroll down to Construction Contractor Employee Identification Report and click the link to open this document. Complete the fields in the Employee section; the Official Use Only section will automatically populate. NOTE: This form can be printed and attached to other required Bid documents.
- 3) All subcontractors shall be required to complete this form and submit to the Prime Contractor. For each subcontractor, the Prime must submit this form to City at least at least (10) days prior to the date the subcontractor shall commence work under a city construction contract.
- 4) Complete this form if you are the Prime contractor on a City construction project estimated over **\$300,000 & over 800 man hours**.
- 5) Complete this form with data from your **current construction workforce** (no office personnel).
- 6) Prime contractor is responsible to ensure subcontractor completes this form as required in #3 above.

EMPLOYEE ELIGIBILITY VERIFICATION AFFIDAVIT

(Required for any contract with the City of Kansas City, Missouri in excess of \$5,000.00)

STATE OF Missouri)
) ss
COUNTY OF Platte)

On this 22nd day of August, 2023, before me appeared Doug Wachsnicht, personally known by me or otherwise proven to be the person whose name is subscribed on this affidavit and who, being duly sworn, stated as follows:

I am of sound mind, capable of making this affidavit, and personally swear or affirm that the statements made herein are truthful to the best of my knowledge. I am the Vice President (title) of Goodwin Bros Construction Co (business entity) and I am duly authorized, directed or empowered to act with full authority on behalf of the business entity in making this affidavit.

I hereby swear or affirm that the business entity does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under federal law to work in the United States as defined in 8 U.S.C. § 1324a(h)(3).

I hereby additionally swear or affirm that the business entity is enrolled in an electronic verification of work program operated by the United States Department of Homeland Security (E-Verify) or an equivalent federal work authorization program operated by the United States Department of Homeland Security to verify information of newly hired employees, under the Immigration Reform and Control Act of 1986, and that the business entity will participate in said program with respect to any person hired by the business entity to perform any work in connection with the contracted services. I have attached hereto documentation sufficient to establish the business entity’s enrollment and participation in the required electronic verification of work program.

I am aware and recognize that unless certain contractual requirements are satisfied and affidavits obtained as provided in Section 285.530, RSMo, the business entity may face liability for violations committed by its subcontractors, notwithstanding the fact that the business entity may itself be compliant.

I acknowledge that I am signing this affidavit as the free act and deed of the business entity and that I am not doing so under duress.

COMMITTEE SUBSTITUTE FOR ORDINANCE NO. 230878

..title

Sponsor: Director of Water Services Department

Authorizing a \$5,600,000.00 construction contract with Goodwin Bros. Construction Co., for the Buckeye Creek Pump Station Screening and Instrumentation and Controls (I&C); and authorizing a maximum expenditure of \$6,160,000.00.

..body

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the Director of the Water Services Department is authorized to execute Contract No. 1693 in the amount of \$5,600,000.00 with Goodwin Bros. Construction Co., for the Buckeye Creek Pump Station Screening and I&C project, Project No. 81000727. A copy of the contract is on file in the office of Water Services.

Section 2. That the Director of the Water Services Department is authorized a maximum expenditure of \$6,160,000.00 from Account No. AL-8193-807777-611060-81000727, Sewer Pump Stations, to satisfy the cost of this contract.

..end

I hereby certify that there is a balance, otherwise unencumbered, to the credit of the appropriation to which the foregoing expenditure is to be charged, and a cash balance, otherwise unencumbered, in the treasury, to the credit of the fund from which payment is to be made, each sufficient to meet the obligation hereby incurred.

Director of Finance

Approved as to form:

Mark P. Jones
Senior Associate City Attorney

File #: 230891

ORDINANCE NO. 230891

Sponsor: Director of Water Services Department

Authorizing a Design-Build-Finance-Operate-Maintain (DBFOM) Agreement with Spire Missouri Inc. (Spire), for the Biogas Use Applications Project; estimating annual revenue in the Water Services Department Sewer Fund; and authorizing a contract term of twenty (20) years.

WHEREAS, the Water Services Department has been directed to seek out alternative funding sources; and

WHEREAS, the City has approved a climate mitigation plan; and

WHEREAS, typical DBFOM contracts have terms of 20 years to allow developers to recoup their invested capital; and

WHEREAS, Spire has guaranteed the payment of 23% of their gross revenues over the term of the Agreement; NOW, THEREFORE

BE IT ORDAINED BY THE COUNCIL OF KANSAS CITY:

Section 1. That the Director of the Water Services Department is authorized to execute Contract No. 1663 with Spire Missouri Inc., for the Biogas Use Applications Project for a term of twenty (20) years under Project No. 81000992. A copy of the contract is on file in the office of Water Services.

Section 2. That the revenue in the following account of Sewer Fund is hereby estimated in the following amount:

24-8110-8000000-467400	Water Services Department - Sewer Fund	\$930,000.00
------------------------	---	--------------

..end

I hereby certify that there is a balance, otherwise unencumbered, to the credit of the appropriation to which the foregoing expenditure is to be charged, and a cash balance, otherwise unencumbered, in the treasury, to the credit of the fund from which payment is to be made, each sufficient to meet the obligation hereby incurred.

Executive Summary

Authorizing a Design-Build-Finance-Operate-Maintain (DBFOM) Agreement with Spire Missouri Inc. (Spire), for the Biogas Use Applications Project; estimating annual revenue in the Water Services Department Sewer Fund; and authorizing a contract term of twenty (20) years.

Discussion

Project Justification

The Biogas Use Applications Project consists of services for the design, construction, commissioning, and operation of a system that will accept all of the stored biogas from the Blue River Wastewater Treatment Plant anaerobic digesters (Biosolids Project), treat or condition the biogas, and then inject the biogas into an existing natural gas pipeline off-site. This contract will also be responsible for the long-term (20 years) operation and maintenance of the biogas facility and infrastructure delivered as part of this Biogas Project.

To support City Council Resolution No. 20005 and to create a stable and safe work environment while managing the treatment of biogas, KC Water solicited a biogas beneficial use project (Biogas Project) to be constructed, anticipated to begin production in 2025. Biogas produced from the digestion process is a clean, renewable energy source that can be used (but not limited to) heating applications, electricity generation, and automotive fuel. Additionally, capturing digester gas and cleaning the biogas to create renewable natural gas (RNG) reduces the on-site greenhouse gas emissions relative to combusting the gas. By removing the impurities from the biogas, utilities can replace traditionally sourced natural gas with RNG which has a broad range of potential end-uses, allowing KC Water to meet key sustainability goals and protect City's financial resources by utilizing revenues generated from the biogas to offset KC Water capital costs.

Project Description

KC Water is delivering the Biosolids Project which will replace and rehabilitate aging infrastructure and incorporate improvements to address the region's future capacity needs while providing the flexibility needed to meet future regulatory requirements through 2035. The Biosolids Project achieves this by upgrading the solids handling facility with a thermal hydrolysis process (THP) and significant improvements to the anaerobic digesters and other systems as needed to support process operations and THP. The new THP facility will produce 72 average

dry tons and 94 max month dry tons per day of Class A biosolids, eliminating the need to incinerate or landfill sludge.

A by-product of the sludge digestion process is biogas, which is a renewable energy source that may be used for (but not limited to) heating applications, electricity generation, and automotive fuel. Instead of venting, flaring off or combusting the by-product, this can be converted to renewable natural gas reducing on-site greenhouse gas emissions. This conversion is done by removing biogas impurities. This offsets natural gas sourced from traditional methods and furthers KC Water's key sustainability goals.

The Project consists of services for the design, construction, financing, commissioning, and acceptance of a system that will accept all generated biogas from the Blue River Wastewater Treatment Plant anaerobic digesters, treat or condition as deemed necessary for the project, and provide all operations and maintenance, and management services for the Project in accordance with the DBFOM Agreement.

With the DBFOM delivery approach, the preferred proposer is responsible for financing the project, with no City funds being encumbered. The term of the DBFOM Agreement is 20 years.

Solicitation/Selection

This project was advertised in accordance with the City's requirements.

On October 20, 2022, KC Water issued a Request for Proposals (RFP) for shortlisted proposers to provide Technical and Financial Proposals to identify the preferred technical approach(es) with the greatest financial benefits through the implementation of a Biogas Use Applications Project (Project) at the Blue River Wastewater Treatment Plant, located at 7300 Hawthorne Road, Kansas City, MO 64120.

This Project will be delivered using a Design-Build-Finance-Operate-Maintain (DBFOM) delivery approach. The selection utilized a two-step selection process. Proposers were previously shortlisted to three (3) from the submittal and review of each Proposer's Statement of Qualifications (SOQ).

The City-Wide Selection Committee met on May 22, 2023 to review and score the Technical Proposals received.

The public bid opening was held on May 30, 2023 at 2:00 PM CST. The highest Revenue Sharing Factor was awarded 100 points. For the other financial proposal, points were awarded based on the financial score formula provided in the RFP.

Scoring

Proposals were scored per Section 5 of the RFP. Proposers submitted a completed proposal on March 10, 2023 composed of two parts:

- (1) Technical Proposal (100 points max)
- (2) Financial Proposal (100 points max, normalized)

Technical Proposal

The City-Wide Selection Committee evaluated and ranked the responsive proposals by applying a weighted evaluation criteria set forth in the RFP for the Technical Proposal. The maximum total number of points available for the Technical Proposal was 100.

Missouri Spire Inc. was selected for this project as the Preferred Proposer with the highest total for Technical and Financial Proposals with a guaranteed gross revenue share from gas sales of 23%, with subcontracting participation of 22.95% MBE and 4.97% WBE for the design and construction of this project.

Other Bidders/Subcontracting Participation

Other proposals/bids received with proposed subcontracting participation is as follows:

- Anaergia Technology, LLC / 15% / 11% MBE & 11% WBE participation
- NextEra Energy – they were shortlisted during the qualification phase; however, they withdrew from the proposal phase prior to the proposal submittal date.

Estimated Project Cost

The estimated opinion of probable construction costs for this project is \$19,869,400.00. Spire Missouri Inc. is financing the entire project. Spire will be supplying 23% of gross revenue from gas sales to the City.

MBE/WBE Goals

CREO KC established goals of 11% MBE and 11% WBE on this project on April 11, 2022, which pre-dated the CREO KC Annual Goal Program, which is for a period of June 2022 through June 2023.

Fiscal Impact

1. Is this legislation included in the adopted budget? Yes No
2. What is the funding source?
N/A – no City funding is required
3. How does the legislation affect the current fiscal year?
It is anticipated that revenues from the project will begin in 2025.
4. Does the legislation have a fiscal impact in future fiscal years? Please notate the difference between one-time and recurring costs.
Yes. It is anticipated that this project will generate revenues to the City between \$930,000.00 and \$1,100,000.00 annually over the 20 year term of the Agreement.
5. Does the legislation generate revenue, leverage outside funding, or deliver a return on investment?

Yes. It is anticipated that this project will generate revenues to the City between \$930,000.00 and \$1,100,000.00 annually over the 20 year term of the Agreement.

Office of Management and Budget Review

(OMB Staff will complete this section.)

- 1. This legislation is supported by the general fund. Yes No
- 2. This fund has a structural imbalance. Yes No
- 3. Account string has been verified/confirmed. Yes No

Additional Discussion (if needed)

Click or tap here to enter text.

Citywide Business Plan (CWBP) Impact

- 1. View the [FY23 Citywide Business Plan](#)
- 2. Which CWBP goal is most impacted by this legislation?
Infrastructure and Accessibility (Press tab after selecting.)
- 3. Which objectives are impacted by this legislation (select all that apply):
 - Enhance the accessible, sustainable and better connected multi-modal transportation system
 - Develop environmentally sound and sustainable infrastructure strategies that improve quality of life and foster economic growth
 - Increase and support local workforce development and minority, women, and locally-owned businesses
 - Engage in efforts to strategically invest in the City's infrastructure and explore emerging technologies
 -
 -

Prior Legislation

City Council passed Ordinance No. 200954 on November 12, 2020 for funding and authorization of a design-build contract, design professional services amendment, and two professional, specialized or technical services contracts for the Blue River WWTP Biosolids Facility project.

Service Level Impacts

This project will allow for a value added product to be produced from a waste product generated from providing sewer service.

Other Impacts

1. What will be the potential health impacts to any affected groups?
By capturing digester gas and cleaning the biogas already being generated by the current processes to create renewable natural gas (RNG), this project reduces the on-site greenhouse gas emissions relative to combusting the gas.
2. How have those groups been engaged and involved in the development of this ordinance?
N/A
3. How does this legislation contribute to a sustainable Kansas City?
Biogas produced from the sludge digestion process is a clean, renewable energy source that can be used (but not limited to) heating applications, electricity generation, and automotive fuel. By removing the impurities from the biogas, utilities can replace traditionally sourced natural gas with RNG which has a broad range of potential end-uses, allowing KC Water to meet key sustainability goals.
4. Department staff certifies the submission of any applicable Affirmative Action Plans or Certificates of Compliance, Contractor Utilization Plans (CUPs), Non-Discrimination documents, and Letters of Intent to Subcontract (LOIs) to CREO prior to the legislation entry request in Legistar.

Yes - I have submitted documents for CREO Review (Press tab after selecting)
Please attach or copy and paste CREO's review.

The Contractor Utilization Plan was submitted to CREO KC for review on June 15, 2023, and was approved on July 7, 2023 with 23% MBE and 5% WBE participation.

The Biogas Project consists of services for the design, construction, commissioning, and operation of a system that will accept all of the stored biogas from the Blue River WWTP anaerobic digesters (Biosolids Project), treat or condition the biogas, and then inject the biogas in to an existing natural gas pipeline off-site. This contract will also be responsible for the long-term (20 years) operation and maintenance of the biogas facility and infrastructure delivered as part of this Biogas Project. This is a DBFOM contract where the Contractor is financing the entirety of the project. The design and construction cost is expected to be \$19,869,400.00, which is what the goals apply to. The Contractor is required to make good faith efforts during the operation and maintenance phase of the project. The expected cost over the duration of the Agreement is \$40,511,955.00.

5. Does this legislation seek to approve a contract resulting from an Invitation for Bid?

Yes(Press tab after selecting)

Attach the bid tabulation form.

6. Does this legislation seek to approve a contract resulting from a Request for Proposal/Qualification (RFP/Q)?

No(Press tab after selecting)

Description of work (Provide details):

The Biogas Project consists of services for the design, construction, commissioning, and operation of a system that will accept all of the stored biogas from the Blue River WWTP anaerobic digesters (Biosolids Project), treat or condition the biogas, and then inject the biogas in to an existing natural gas pipeline off-site. This contract will also be responsible for the long-term (20 years) operation and maintenance of the biogas facility and infrastructure delivered as part of this Biogas Project.

To support City Council Resolution 20005 and to create a stable and safe work environment while managing the treatment of biogas, KC Water is soliciting a biogas beneficial use project (Biogas Project) to be delivered at the same time as the Biosolids Project anticipated to be in 2024. Biogas produced from the digestion process is a clean, renewable energy source that can be used (but not limited to) heating applications, electricity generation, and automotive fuel. Additionally, capturing digester gas and cleaning the biogas to create renewable natural gas (RNG) reduces the on-site greenhouse gas emissions relative to combusting the gas. By removing the impurities from the biogas, utilities can replace traditionally sourced natural gas with RNG which has a broad range of potential end-uses, allowing KC Water to meet key sustainability goals and protect City's financial resources by utilizing revenues generated from the biogas to offset KC Water capital costs.

Civil Rights and Equal Opportunity Department Civil Rights and Wage Assurances

Non-discrimination in Employment. Contractor shall not discriminate against any employee or candidate for employment on the basis of an individual's race, hair texture or hair style associated with an individual's race, color, sex, religion, national origin, or ancestry, disability, sexual orientation, gender identity, age, or in any other manner prohibited by Chapter 38 of the City Code. Contractor shall not engage in any discrimination as prohibited by Chapter 3 of the City Code.

Ban the Box in Hiring and Promotion.

(a) Pursuant to Section 38-104, City Code Ordinances, Contractor shall not base a hiring or promotional decision on an applicant's criminal history or sentence related thereto, unless the employer can demonstrate that the employment-related decision was based on all information available including consideration of the frequency, recentness and severity of a criminal record and that the record was reasonably related to the duties and responsibilities of the position.

(b) Notwithstanding subsection (a), Contractor may inquire about an applicant's criminal history after it has been determined that the individual is otherwise qualified for the position, and only after the applicant has been interviewed for the position. Any such inquiry may be made of all applicants who are within the final selection pool of candidates from which a job will be filled.

(c) This provision shall not apply to positions where employers are required to exclude applicants with certain criminal convictions from employment due to local, state or federal law or regulation.

Title VI of the Civil Rights Act of 1964. Title VI of the Civil Rights Act of 1964 requires that no person in the United States shall, on the grounds of race, color, or national or origin (including limited English proficient individuals), be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The City of Kansas City, Missouri requires compliance with the requirements of Title VI in all of its programs and activities regardless of the funding source.

Contractor shall not discriminate on the grounds of race, color, or national or origin (including limited English proficient individuals).

Quality Services Assurance Act. If this Contract exceeds \$160,000.00, Contractor certifies Contractor will pay all employees who will work on this Contract in the city limits of Kansas City, Missouri at least \$15.00 per hour in compliance with the City's Quality Services Assurance Act,

CREO Form 3
Rev. 3.22.2023

Civil Rights and Equal Opportunity Department Civil Rights and Wage Assurances

Section 3-66, Code of Ordinances or City has granted Contractor an exemption pursuant to the Quality Services Assurance Act.

Anti-Discrimination Against Israel. If this Contract exceeds \$100,000.00 and Contractor employs at least ten employees, pursuant to Section 34.600, RSMo., by executing this Contract, Contractor certifies it is not currently engaged in and shall not, for the duration of this contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel.

Affirmative Action. If this Contract exceeds \$300,000.00 and Contractor employs fifty (50) or more people, Contractor shall comply with City's Affirmative Action requirements in accordance with the provisions of Chapter 3 of City's Code, the rules and regulations relating to those sections, and any additions or amendments thereto; in executing any Contract subject to said provisions, Contractor warrants that it has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract. Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, national origin or ancestry, disability, sexual orientation, gender identity or age in a manner prohibited by Chapter 3 of City's Code. Contractor shall:

- (a) Execute and submit the City of Kansas City, Missouri CREO Affirmative Action Program Affidavit warranting that the Contractor has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the Contract.
- (b) Submit, in print or electronic format, a copy of Contractor's current certificate of compliance to the City's Civil Rights and Equal Opportunity Department (CREO) prior to receiving the first payment under the Contract, unless a copy has already been submitted to CREO at any point within the previous two (2) calendar years. If, and only if, Contractor does not possess a current certification of compliance, Contractor shall submit, in print or electronic format, a copy of its affirmative action program to CREO prior to receiving the first payment under the Contract, unless a copy has already been submitted to CREO at any point within the previous two (2) calendar years.
- (c) Require any Subcontractor awarded a subcontract exceeding \$300,000.00 to affirm that Subcontractor has an affirmative action program in place and will maintain the affirmative action program in place for the duration of the subcontract.
- (d) Obtain from any Subcontractor awarded a subcontract exceeding \$300,000.00 a copy of the Subcontractor's current certificate of compliance and tender a copy of the same, in print or

CREO Form 3
Rev. 3.22.2023

Civil Rights and Equal Opportunity Department Civil Rights and Wage Assurances

electronic format, to CREO within thirty (30) days from the date the subcontract is executed. If, and only if, Subcontractor does not possess a current certificate of compliance, Contractor shall obtain a copy of the Subcontractor's affirmative action program and tender a copy of the same, in print or electronic format, to CREO within thirty (30) days from the date the subcontract is executed.

City has the right to take action as directed by City's Civil Rights and Equal Opportunity Department to enforce this provision. If Contractor fails, refuses or neglects to comply with the provisions of Chapter 3 of City's Code, then such failure shall be deemed a total breach of this Contract and this Contract may be terminated, cancelled or suspended, in whole or in part, and Contractor may be declared ineligible for any further contracts funded by City for a period of one (1) year. This is a material term of this Contract.

Compliance with Laws. Contractor shall comply with all federal, state and local laws, ordinances and regulations applicable to the work and this Agreement. Contractor shall maintain in effect all the licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under this Agreement.

Prevailing Wage. If the Agreement exceeds \$75,000.00 and any of the Services performed by Contractor includes construction, reconstruction, improvement, enlargement, alteration, painting and decorating, or major repair, that is subject to the Missouri Prevailing Wage Law (Section 290.210, RSMo – 290.340, RSMo), Contractor shall immediately notify the City prior to performing Services so the parties can execute an agreement that incorporates, the appropriate Wage Order. Contractor shall comply with all requirements of Section 290.210, RSMo – 290.340, RSMo even if Contractor fails to notify the City.
