Details

Reason for Legislation

To amend a contract with [Good Samaritan Project](#) for HIV Medical Case Management for the period of March 1, 2014 to May 31, 2014. The amount of the amendment is \$88,330.00. This brings the total amount for the contract to \$327,561.00 for the period from [March 1, 2013 to May 31, 2014](#).

Discussion

The purpose of this contract is to ensure that all residents living with HIV/AIDS within the 11 county Kansas City Transitional Grant Area (KC-TGA) receive HIV medical case management services according to the policies, procedures, and standards of practice outlined and published by the Missouri Department of Health and Senior Services. The KC-TGA bi-state region includes Cass, Clay, Clinton, Jackson, Johnson, Lafayette, Leavenworth, Miami, Platte, Ray, and Wyandotte Counties. Medical case management provides clients with access to HIV/AIDS primary care and other support services provided through the KC-TGA care system. Case managers also assist their clients with access to community services that supplement the services provided by the KC-TGA Care System.

The HIV Services program provided HIV/AIDS medical case management services for 2,452 unduplicated clients per month during the period from [March 2012 to February 2013](#). These services are provided by approximately 40 medical case managers from six different agencies ([Good Samaritan Project](#), Guadalupe Center, Kansas City CARE Clinic, Kansas City Missouri Health Department, Truman Medical Center, and the University of Kansas Hospital). Services funded by the [Ryan White Part A](#) grant are monitored for quality, programmatic and fiscal integrity by the Kansas City Missouri Health Department, HIV Services Program.

Between March 2012 to February 2013 [Good Samaritan Project](#) provided case management support for 680 clients (28% of total case management clients for the KC-TGA)

Details

Is the contract good for the children?

Yes. These services are provided to mothers and children living with HIV/AIDS. Last year, 24% of the 680 clients who received case management services from Good Samaritan Project were women, youth, infants and children.

How will this contribute to a sustainable Kansas City?

Quality health care directly impacts the economic vitality, social equity and environmental quality of a community. Promoting and protecting citizens of Kansas City is the goal for all public health programs. Individuals living with HIV/AIDS are required to enroll in Medical Case Management to access Ryan White Part A medical services such as primary care, medications, oral health, mental health, substance abuse treatment services and insurance premium assistance. Funding for Medical Case Management ensures that residents living with HIV/AIDS within the Kansas City TGA receive appropriate health care services and treatment of their disease through federal, state and local funding resources.
