Subject: Vote YES - Ordinance 230613 and Resolution 230618
Date: Sunday, July 30, 2023 7:40:06 PM

Dear Members of the City Council,

I dream of the idea of being able to leave my home, safely, on a trail or bike lane through my city. I would love to be able to connect from downtown KC MO all the way to St Louis safely without worry of being hit by cars. Or simply go from North KC to Prairie Fire without worrying about someone hitting me on my bike.

Please vote in support of Ordinance 230613 and Resolution 230618.

Regards,
