Docket Memo

Ordinance/Resolution #: 240558

Submitted Department/Preparer: Human Resources

Revised 6/10/24

Docket memos are required on all ordinances initiated by a Department Director. More information can be found in [Administrative Regulation \(AR\) 4-1](#).

Executive Summary

Authorizing the City Manager to enter into a side letter agreement to the CBA between the City and Local 500, in which both parties waive certain requirements related to the potential insourcing of customer service work.

Discussion

Currently the CBA between Local 500 and the City requires formulation of an Insourcing/Outsourcing committee to discuss potential insourcing or outsourcing of jobs within the bargaining unit of Local 500. In this case, both parties wish to waive the requirement because both parties believe it is in the best interest of the City and the Union that animal control call-taking and dispatching work that could be handled by the City's 311 Call Center be brought into the City and the work performed by Local 500 members.
