Executive Summary

Approving the plat of Twin Creeks Lots 1-7, an addition in Clay County, Missouri, on approximately 13 acres generally located at the southeast corner of Northwest 88th Street and North Madison Avenue, creating 7 lots for the purpose of commercial/office development; accepting various easements; establishing grades on public ways; authorizing the Director of City Planning and Development to execute and/or accept certain agreements; and directing the City Clerk to facilitate the recordation of this ordinance and attached documents.

Discussion

The request is to consider approval of a Final Plat in District B3-2 on about 13 acres generally located at the southeast corner of Northwest 88th Street and North Madison Avenue, seven (7) lots and one (1) tract to allow for commercial and office development. This use was approved in Case No. CD-CPC-2024-00192 which served as the Preliminary Plat and will be further amended by CD-AA-2025-00060. The Preliminary Plat proposed to develop seven buildings on seven lots with vehicular connections coming from two access points from North Madison Avenue. Internal vehicular drive lanes will be private drives. The amendment allows Lot 7 to have direct access from North Madison Avenue for service lines. This amendment was requested by the Water Services Department to meet current standards. This Final Plat is in conformance with the Preliminary Plat as well as the lot and building standards of Section 88-120 of the Zoning and Development Code.
