PUBLIC ACCESS EASEMENT AND MAINTENANCE AGREEMENT

THIS PUBLIC ACCESS EASEMENT AND MAINTENANCE AGREEMENT (this “**Agreement**”) is dated the ____ day of _____, 2024 (the “**Effective Date**”), by and between West Bottoms – Propco Master, LLC, a Delaware limited liability company (“**Grantor**”), and the City of Kansas City, Missouri, a constitutionally chartered municipal corporation of the State of Missouri (“**Grantee**”) (Grantor and Grantee each a “**Party**” and, collectively, the “**Parties**”).

RECITALS

WHEREAS, Grantor is the fee simple owner of that certain real property legally described on **Exhibit “A”** attached hereto and made a part hereof by this reference (the “**Property**”); and

WHEREAS, Grantor and Grantee desire to enter into this Agreement to, inter alia, provide for a non-exclusive public access easement over that certain portion of the Property consisting of an alley more particularly described on **Exhibit “B”** attached hereto and as depicted on **Exhibit “C”** attached hereto (the “**Easement Property**”).

AGREEMENT

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. **Grant of Easement.**

A. Grantor hereby establishes and creates for the benefit of the public a perpetual, non-exclusive easement over, on and across the Easement Property for the purpose of vehicular and pedestrian ingress and egress to and from the alley between Union Avenue and 11th Street with an entrance from Santa Fe Street (the “**Public Access Easement**”).

B. Grantor grants and conveys to Grantee a perpetual, non-exclusive easement over, on and across the Easement Property for the purpose of constructing, maintaining, repairing, replacing, installing, and removing any public utilities located within the Easement Property. Grantee shall, as soon as practicable after installation of any public utilities and after all subsequent alterations or repairs thereto or removal thereof, restore the surfaces of the Easement Property to substantially the same condition such surfaces were in prior to such activities. The Parties acknowledge that the vacation of the Property is contingent upon this Public Access Easement remaining in full force and effect. Should this Easement be terminated or revoked at any time, Grantor hereby consents to a reasonably located public alley right of way dedication containing a width and connection points consistent with the public alley vacated by Ordinance No. _____.

2. **Maintenance of Easement Property.**

A. Upon the terms and subject to the conditions contained in this Agreement, Grantor shall maintain the existing alley improvements located on the Easement Property (the “**Access Drive**”) in good repair and condition at Grantor’s sole cost and expense. If Grantor fails to maintain the Access Drive in the condition required by this Agreement, Grantee may provide Grantor with a written notice setting forth the maintenance or repair work that Grantee reasonably determines has not been done. If Grantor does not commence such maintenance or repair work within sixty (60) days from the date of receipt of the aforesaid written notice, and such failure to commence such maintenance or repair work is not as a result of causes beyond Grantor’s reasonable control, then Grantee may, after the sixty (60) day written notice to Grantor, perform such work and shall be reimbursed by Grantor for all reasonable costs incurred in performing such work.

B. Grantor hereby grants and conveys to Grantee a perpetual easement to enter upon and access their respective portions of the Easement Property for the purpose of accessing, inspecting, repairing, maintaining, and replacing its infrastructure within or near the Access Drive.

C. Grantor shall indemnify and defend Grantee from and against any and all claims, actions, liability and expenses (including reasonable attorney fees) arising from or out of the failure of Grantor to maintain and repair the Access Drive, except to the extent such claims arise from or relate to the gross negligence or intentionally malicious acts of an indemnified party.

3. **Amendment.** This Agreement and any provision herein contained may be terminated, extended, modified or amended only with the express written consent of the Parties.

4. **Default and Remedies.** The Parties agree that the provisions of this Agreement will be enforced as follows:

A. **Injunctive Relief.** In the event of any violation or threatened violation by either Party of any of the provisions of this Agreement, in addition to the right to collect damages and other remedies available at law or equity, each Party will have the right to enjoin such violation or threatened violation in a court of competent jurisdiction. Prior to the commencement of any such action, written notice of the violation will be given to the Party claimed to have committed such violation.

B. **Force Majeure.** If performance of any action by any Party is prevented or delayed by act of God, war, labor disputes or other cause beyond the reasonable control of such Party, the time for the performance of such action will be extended for the period that such action is delayed or prevented by such cause beyond the control of such Party.

C. **Notice of Default.** A Party will not be in default under this Agreement unless the Party has received written notice specifying the nature of such default and has failed to cure or commence appropriate action to cure such default within the times herein provided.

D. **Right of Reversion.** In the event Grantor fails to cure such default, Grantee may revoke the conditional vacation set forth in Ordinance No. _____ and the

Property shall revert to a public alley, as defined in Section 88-810-070 of the Kansas City Code of Ordinances.

5. **Miscellaneous.** The Parties further agree as follows:

A. **Notices.** All notices, statements, demands, approvals and other communications given pursuant to this Agreement will be in writing and shall be served either personally or by certified mail, or by any other delivery service which obtains a receipt for delivery unless any such notice required by law and such law provides a different form of delivery or service. Any such notice or demand served personally shall be delivered to the Party being served (provided that such notice may be delivered to the receptionist or any other person apparently in charge of such Party's office at its address hereinafter set forth), and shall be deemed complete upon the day of actual or attempted delivery, as shown by an affidavit of the person so delivering such notice. Any notice so served by certified mail shall be deposited in the United States Mail with postage thereon fully prepaid and addressed to the party or parties so to be served at its address hereinafter stated and service of any such notice by Certified Mail shall be deemed complete on the date of actual or attempted delivery as shown by the Certified Mail receipt. Service of any such notice by another delivery service shall be deemed complete upon the date of actual or attempted delivery as shown on the receipt obtained by such delivery service.

B. **Attorneys' Fees.** If either Party institutes any action or proceeding against the other Party relating to the provisions of this Agreement or any default hereunder, each Party shall bear its own expenses incurred.

C. **Waiver of Default.** No waiver of any default by any Party will be implied from the failure by any other Party to take any action in respect of such default. No express waiver of any default will affect any default or extend any period of time for performance other than as specified in such express waiver. The rights and remedies provided by this Agreement are cumulative and no right or remedy will be exclusive of any other, or of any other right or remedy at law or in equity which any Party might otherwise have by virtue of a default under this Agreement and the exercise of any right or remedy by any Party will not impair such Party's standing to exercise any other right or remedy.

D. **Governing Law; Severability.** This Agreement will be construed in accordance with the laws of the State of Missouri. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall not be otherwise affected, impaired or invalidated.

E. **Binding Effect.** The provisions of this Agreement will be binding on the Parties hereto and their respective successors, assigns and mortgagees to the extent herein provided.

F. **Counterparts.** This Agreement may be executed by the Parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original for all purposes, and all such counterparts shall together constitute but one and the same instrument. A signed copy of this Agreement delivered by email shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

G. **Further Cooperation.** Each Party agrees to execute such other documents and to perform such other acts as may be reasonably necessary or desirable to further the expressed intent and purpose of this Agreement. This Agreement will be recorded in the office of the Recorder of Deeds for Jackson County, Missouri.

H. **Temporary Easement Closure.** Grantor and Grantee agree and acknowledge that Grantor shall have the authority to temporarily close the Public Access Easement, in full or in part, for a reasonable amount of time to effectuate construction works, events, or any other lawful purpose, in accordance with all permitting requirements.

I. **No Waiver of Sovereign Immunity.** In no event shall the language in this Public Access Easement constitute or be construed as a waiver or limitation of the City's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the federal and state constitutions and by law.
