Executive Summary

Finding that The Museum of Kansas City Carriage House project would be a benefit to the City and State of Missouri; authorizing the City Manager to work with The Museum of Kansas City to assist in the preparation of an application to the Missouri Development Finance Board ("MDFB"); authorizing an application to the MDFB for the authorization of state tax credits in an amount not to exceed \$1 million to facilitate improvements at The Museum of Kansas City in Kansas City, Missouri; and authorizing the City Manager to execute a tax credit agreement with the MDFB for The Museum of Kansas City Carriage House project.

Discussion

This ordinance would authorize the City Manager to assist The Museum of Kansas City with preparation of a tax credit application to the Missouri Development Finance Board ("MDFB") to assist with planned improvements to the Carriage House. \$1 million in tax credits would leverage up to \$2 million in contributions for The Museum of Kansas City, as the credits are generally sold for up-to two times the value of the tax credit.

Additionally, this ordinance would authorize the City Manager to negotiate and execute a tax credit agreement with the MDFB if tax credits are awarded for the Carriage House Project.
