Description of Contract (Provide Details):

The City operates two existing grit/debris washout stations at the 18th Street Laydown yard just west of the Buckeye Creek Pump Station. City personnel and City contractors utilize these stations to unload liquids with solids (grit) prior to entering the pump station. The design and construction of additional unloading/washout stations is needed to further reduce the amount of solids entering the system to help protect existing and planned assets at the pump station to extend the life cycle and lower maintenance and repair costs. Additional debris and grit removal prior to it entering Buckeye Creek also supports lower grit loads being intercepted by the new

Pursuant to RSMo. Section 610.021(11) & (12) documents related to bids will not be made available until bids are completed.
