To: Robert Collins, City Manager
From: Director, Water Services Department
Subject: A.R. 3-7: Brookside Area Sewer System

Your approval is respectfully requested to utilize the exception provision of A.R. 3-7 Paragraph 5.1.9., to employ Burns & McDonnell to study the capacity of the sewer system in the Brookside area. This study is needed to address the flooding which occurred as a result of the rainstorm of October 4, 1998.

Burns & McDonnell is doing the master plan on the sewer system south of Missouri River and previously performed extensive studies on the Brush Creek Drainage Basin.

They should be able to perform the work in an expeditious and efficient manner. The engineering cost should not exceed \$100,000.00
