Executive Summary

Approving the plat of Tilden Station, an addition in Jackson County, Missouri, on approximately 28 acres generally located at the southeast corner of East 135th Street and Wornall Road, creating 3 lots and 6 tracts for the purpose of residential and commercial development; accepting various easements; establishing grades on public ways; authorizing the Director of City Planning and Development and Director of Water Services to execute and/or accept certain agreements; and directing the City Clerk to facilitate the recordation of this ordinance and attached documents. (CLD-FnPlat-2025-00018)

Discussion

The request is for approval of a Final Plat within the UR (Urban Redevelopment) and M3-5 (Manufacturing) districts on approximately 28 acres located at the southeast corner of East 135th Street and Wornall Road. The plat proposes the creation of three lots and six tracts to support a mixed residential and commercial development.

The proposed uses were previously approved under Case No. CD-CPC-2024-00156, which established the Preliminary Plat. That plan included a multi-unit apartment building with retail frontage along East 135th Street. A Minor Amendment to the controlling plan was approved on November 24, 2025, permitting the reuse of an existing building on the site that was originally proposed for demolition. The amendment also revised the Preliminary Plat to reflect updated lot lines that allow for the building's preservation.
